ASSIGNMENT

In consideration of the sum of One Dollar (\$1.00), and of other good and valuable consideration paid to the undersigned inventors Adam Robert Hunter and James Earle (hereinafter ASSIGNORS) by J. A. Products, LLC (hereinafter ASSIGNEE), the receipt whereof is hereby acknowledged, ASSIGNORS hereby sell, assign, transfer, and set over unto the ASSIGNEE the entire right, title, and interest in and to the NOVELTY BEVERAGE DRINKING DEVICE patent application, and in and to the inventions and improvements disclosed and/or claimed in said application, and any patent applications, continuation, continuation-in-part, continuing, divisional, reissue, reexamination, foreign counterpart, Patent Cooperation Treaty, or the like, applications and patents relating thereto, or which may be filed therefor, and any Letters Patent which may be granted and issued therefor in or for the United States of America, and all foreign countries, as well as any and all know-how and/or confidential, proprietary, and/or trade secret information relating to any such inventions, applications, patents and/or technology, including all treaty and convention rights, and the right to sue for present, past, and future infringement or misappropriation, and to enforce any rights and file any causes of action related thereto (either in law or equity), and to all income, royalties, fees, damages, and payments now or hereafter due or payable in respect thereto, the same to be held and enjoyed by said ASSIGNEE, its successors and assigns, to the full extent permissible under any applicable laws and ends of the terms for which all Letters Patents therefor may be granted, as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment had not been made.

And said ASSIGNEE is hereby authorized to make application for and to receive Letters Patent for said inventions in any country at its election.

And by this covenant the ASSIGNORS will execute or procure any further necessary assurance of title to said inventions and Letters Patent; and at any time, upon the request and at the expense of said ASSIGNEE, will execute and deliver any and all papers that may be necessary or desirable to perfect the title to said inventions or any Letters Patents which may be granted therefor in said ASSIGNEE, its successors, assigns or other legal representatives, and, upon the request and at the expense of said ASSIGNEE, will execute any additional or divisional applications for patents for said inventions, or any part or parts thereof, and for the reissue of any Letters Patents to be granted therefor, and will make all rightful oaths and do all lawful acts requisite for procuring the same or for aiding therein, without further compensation, but at the expense of said ASSIGNEE, its successors, assigns, or other legal representatives.

And the U.S. Patent & Trademark Office is hereby authorized and requested to issue any and all Letters Patent of the United States for said inventions to said ASSIGNEE.
