ASSIGNMENT

WHEREAS WE, Michael TAL, residing at Hahoresli 17 Street, Savyon, IL 52565; Bob H. KATZ, 118 Boyer Lane, Los Gatos, CA 95030 and Mark James DeBISSCHOP, 56 Burlington Avenue, Burlington, CT 06013; have invented certain new and useful improvements in *INTRAUTERINE DEVICE WITH RETRIEVAL THREAD*, for which invention we have executed and filed a provisional patent application on October 18, 2013 with the U.S. Patent and Trademark Office, which was assigned U.S. Serial No. 14/057,297; and

Whereas, ContraMed, LLC (hereinafter "Assignee"), a corporation of the state of Delaware, having a place of business at 1723 Beverly Drive, Charlotte, NC 28207, is desirous of acquiring the entire right, title, and interest in and to said invention, said application, and the letters patent to be obtained therefore;

Now, therefore, for and in consideration of One Dollar and other good and valuable considerations, to us in hand paid, the receipt and sufficiency whereof are hereby acknowledged, we have sold, assigned, and set over and by these presents do hereby sell, assign, and set over unto the said assignee and said assignee's legal representatives, successors and assigns, the entire right, title, and interest in and to said invention, said application, and the Letters Patent, both foreign and domestic, that may or shall issue thereon; and we do hereby authorize and request the Commissioner of Patents and Trademarks to issue said Letters Patent to the above-mentioned assignee agreeably with the terms of this assignment.

We hereby authorize the above-mentioned assignee or its legal representative to insert in this instrument the filing date and serial number of our said application or any other information that may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.

Upon said consideration, we convey to said assignee the right to make application in its own behalf for protection of said invention in countries foreign to the United States and where expedient to claim under the International Convention or other international arrangement for any such application the date of the said United States application (or other application if any there be) in priority to other applications; and we do hereby covenant and agree with the said assignee that we will not execute any writing or do any act whatsoever conflicting with these presents, and that we will at any time upon request, without further or additional consideration, but at the expense of the said assignee, execute such additional assignments and other writings and do such

additional acts as said assignee may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional renewal, reissued or extended Letters Patent of the United States or of any and all foreign countries on said invention, and in enforcing any rights or chose in action accruing as a result of such application or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of the assigns and legal representatives of both parties.

IN WITNESS WHEREOF, the said Inventor has executed and delivered this instrument to said Assignee this 31 day of December, 2013.
