ASSIGNMENT

WHEREAS I, **Guillaume COTTARD**, hereinafter called Assignor, have invented certain improvements in

RAILWAY VEHICLE AND FUNICULAR APPARATUS

as set forth in the following Patent Applications:

U.S. Patent Application No. 15/508,992, filed March 6, 2017 which is a § 371 application of:

International Application No. PCT/EP2015/070214, filed September 4, 2015, which claims the benefit of the following applications:

French Patent Application 1458266 filed September 4, 2014; and
French Patent Application 1458268 filed September 4, 2014.

WHEREAS, **AGENCE NATIONAL POUR LA GESTION DES DÉCHETS RADIOACTIFS**, a corporation organized under the laws of France, having an address at 1/7 rue Jean Monnet, Chatenay-Malabry, France F-92298 (hereinafter "Assignee"), desires to acquire the entire right, title, and interest in the invention, and to any patents to be obtained therefor;

Now therefore, for valuable consideration, the receipt of which is hereby acknowledged,

I, the above named Assignor, hereby sell, assign and transfer to the above named Assignee, its successors and assigns, any and all interest I have or may have in said invention or improvement, for the United States of America and all foreign countries, including all rights of priority under the International Convention for the Protection of Industrial Property in said invention or improvement in the United States Patent and Trademark Office, and in all Letters Patent of the United States and all foreign countries which may or shall be granted on said invention, or any parts thereof, or on said utility application, any utility application claiming the benefit of the filing date of or priority to said application, and/or any divisional, continuation, reissue, re-examination, or other applications based in whole or in part thereon. And I agree, for myself and my executors and administrators, with said Assignee and its successors and assigns but at its or their expense and charges, hereafter to execute all applications, amended specifications, Oath or Declaration, deed or other instrument, and to do all acts necessary or proper to secure the grant of Letters Patent in the United States and in all other countries to said Assignee, with specifications and claims in such form as shall be approved by the counsel of said Assignee and to vest and confirm in said Assignee, its successors and assigns, the legal title to all such patents.

And I do hereby authorize and request the Commissioner of Patents and Trademarks of the United States to issue such Letters Patent as shall be granted upon said application or applications based thereon to said Assignee, its successors and assigns.

A handwritten signature in dark ink, appearing to be a stylized 'S' or 'B' followed by a horizontal line.
