PATENT ASSIGNMENT

This PATENT ASSIGNMENT (this "Assignment") is made as of September 11, 2019, by Jeff Avalon, an individual with an address at 1 Beacon Street, Suite 1500, Boston, MA 02108 ("Assignor"), in favor of IdeaPaint, Inc., a Delaware corporation ("Assignee").

WHEREAS Assignor is an employee of Assignee, and pursuant to Assignor's employment agreement with Assignee, has agreed to assign the patents and patent applications set forth on Exhibit A, and has agreed to execute and deliver this Assignment for recording with governmental authorities including, but not limited to, the United States Patent and Trademark Office.

NOW THEREFORE, the parties agree as follows:

1. Assignment. For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby irrevocably conveys, transfers and assigns to Assignee all of Assignor's right, title and interest in and to the following:

(a) the patents and patent applications set forth on Exhibit A hereto (the "Patents"), to each U.S. and foreign patent application and patent to which the Patents claim priority, in whole or in part, and that claim priority, in whole or in part, to the Patents, and to the inventions described or claimed in the Patents, and all issuances, divisions, continuations-in-part, reissues, extensions, reexaminations and renewals thereof; and any United States or foreign patents that may issue with respect to the inventions described or claimed in the Patents;

(b) all rights of any kind whatsoever of Assignor accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions and otherwise throughout the world;

(c) any and all royalties, fees, income, payments and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and

(d) any and all claims and causes of action with respect to any of the foregoing, whether accruing before, on or after the date hereof, including all rights to and claims for damages, restitution and injunctive and other legal and equitable relief for past, present and future infringement, misappropriation, violation, misuse, breach or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

2. Recordation and Further Actions. Assignor hereby authorizes the Commissioner for Patents in the United States Patent and Trademark Office and the officials of corresponding entities or agencies in any applicable jurisdictions to record and register this Assignment upon request by Assignee. Following the date hereof, Assignor shall take such steps and actions, and provide such cooperation and assistance to Assignee and its successors, assigns and legal representatives, including the execution and delivery of any affidavits, declarations, oaths, exhibits, assignments, powers of attorney, or other documents, as may be necessary to effect, evidence or perfect the assignment of the assigned Patents to Assignee, or any assignee or successor thereto.

3. Assignment. This Assignment shall be binding upon and inure to the benefit of the parties to this Assignment and their successors and assigns.

4. Counterparts. This Assignment may be executed in multiple counterparts, all of which shall be considered one and the same agreement and shall become effective when one or more counterparts have been signed by each of the parties delivered to the other party, it being understood that all parties need not sign the same counterpart. Copies of this Assignment with signatures transmitted by facsimile or electronically (e.g., pdf) shall be deemed to be original signed versions of this Assignment.
