ASSIGNMENT

In consideration of good and valuable consideration, the past receipt and sufficiency of which are hereby acknowledged, I/we, the undersigned, STEFAN BAEURLE hereby confirm, pursuant to the terms of my/our respective employment agreement(s) and obligations thereunder, my/our prior assignment and transfer to Power Integrations, Inc. a corporation of Delaware, having a principal place of business at 5245 Hellyer Avenue, San Jose, CA 95138, ("Assignee"), and its successors, assigns, and legal representatives, of the entire right, title, and interest for the United States and all foreign countries, in and to any and all improvements that are disclosed in the application for the United States patent that has been executed by the undersigned prior hereto or concurrently herewith on the date(s) indicated below and which is entitled EXTERNAL ADJUSTMENT OF A DRIVE CONTROL OF A SWITCH

(I/We hereby authorize and request that Power Integrations, Inc. and its representatives insert, on the designated lines below, the filing date and application number of said application when known.)

US Patent Application No. _____, filed on _____.

and in and to said application and all divisional applications, continuation applications, continued prosecution applications, continuation-in-part applications, substitute applications, renewal applications, reissue applications, reexaminations, extensions, and all other patent applications that have been or shall be filed in the United States and all foreign countries on any of said improvements; and in and to all original patents, reissued patents, reexamination certificates, and extensions, that have been or shall be issued in the United States and all foreign countries on said improvements; and in and to all rights of priority resulting from the filing of said United States application;

and I/we agree (1) that said Assignee may apply for and receive a patent or patents for said improvements in its own name; and (2) that, when requested, without charge to, but at the expense of, said Assignee, its successors, assigns, and legal representatives, to carry out in good faith the intent and purpose of this Assignment, the undersigned will execute all divisional applications, continuation applications, continued prosecution applications, continuation-in-part applications, substitute applications, renewal applications, reissue applications, reexaminations, extensions and all other patent applications on any and all said improvements; (3) to execute all rightful oaths, assignments, powers of attorney, and other papers; (4) to communicate to said Assignee, its successors, assigns, and representatives all facts known to the undersigned relating to said improvements and the history thereof; and (5) to generally assist said Assignee, its successors, assigns, or representatives in securing and maintaining proper patent protection for said improvements and for vesting title to said improvements, and all applications for patents and all patents on said improvements, in said Assignee, its successors, assigns, and legal representatives; and

I/we covenant with said Assignee, its successors, assigns, and legal representatives that no assignment, grant, mortgage, license, or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.

I/we am/are executing this assignment confirmation in accordance with my/our obligations under my/our employment agreement(s) and for the purposes of recording the assignment to Power Integrations, Inc. with the United States Patent and Trademark Office.
