PATENT ASSIGNMENT

WHEREAS, **Clair Bros. Audio Systems, Inc.**, hereinafter referred to as **ASSIGNOR**, a Pennsylvania Corporation, having a place of business at **1 Clair Blvd., Manheim, PA, 17545**, is the owner of certain inventions and/or improvements for which applications for Letters Patent have been made or for which Letters Patent have been issued, all of which are listed on **Attachment A** hereto (hereafter, the "Patent Property"); and

WHEREAS, **Clair Brothers Audio Systems, LLC**, hereinafter referred to as **ASSIGNEE**, a Delaware limited liability company, having a place of business at **1 Ellen Ave., Lititz, PA 17543**, is desirous of acquiring the entire right, title and interest in and to said Patent Property in any and all countries;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and intending to be legally bound hereby, **ASSIGNOR** has sold, assigned, transferred and set over, and by these presents does hereby sell, assign, transfer and set over to **ASSIGNEE**, the entire right, title and interest in and to said Patent Property, and any and all continuations, divisions and renewals of and substitutes for said Patent Property, and to and under any and all additional Letters Patent which may be granted on, or as a result thereof, in the United States and in any and all other countries, and any reissue or reissues or extension or extensions of said Letters Patent, and the full right to sue for and recover damages recoverable for past infringement of the same, and for violations of provisional rights having arisen from any published application(s) for said Patent Property. **ASSIGNOR** further assigns to and authorizes **ASSIGNEE** to file corresponding applications for Letters Patent in all countries, to be held and enjoyed by **ASSIGNEE**, its successors, assigns, nominees or legal representatives, to the full end of the term or terms for which said Letters Patent respectively may be granted, reissued or extended, as fully and entirely as the same would have been held and enjoyed by **ASSIGNOR** had this assignment, sale and transfer not been made.

It is hereby covenanted that **ASSIGNOR** has full right to convey the entire interest herein assigned, and that **ASSIGNOR** has not executed and will not execute any agreement in conflict herewith, and **ASSIGNOR** further covenants and agrees that it will, each time request is made, and without undue delay, execute and deliver all such papers as may be necessary or desirable to perfect title to said Patent Property in **ASSIGNEE**, its successors, assigns, nominees, or legal representatives, and **ASSIGNOR** agrees to communicate to **ASSIGNEE** or to its nominee all known facts respecting said Patent Property, to testify in any legal proceedings, to sign all lawful papers to execute all disclaimers and divisional, continuing, reissue and foreign applications, to make all rightful oaths, and generally to do everything reasonably possible to aid **ASSIGNEE**, its successors, assigns, nominees and legal representatives to obtain and enforce for its or their own benefit proper patent protection for said inventions and/or improvements in any and all countries, all at the expense, however, of **ASSIGNEE**, its successors, assigns, nominees or legal representatives.

AND ASSIGNOR hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States, and any official of any country or countries foreign to the United States, whose duty it is to issue patents on applications as aforesaid, to issue to said ASSIGNEE, as assignee of the entire right, title and interest, any and all Letters Patent for said Patent Property, including any and all Letters Patent of the United States which may be issued and granted on, or as a result of any applications included in, said Patent Property, in accordance with the terms of this assignment.
