ASSIGNMENT

In consideration of one dollar (\$1.00) and for other good and valuable consideration, of which receipt is acknowledged, I Shannon Gilbreth Britt, hereby sell, transfer and assign to Olura, LLC, a Delaware limited liability company, the entire right, title and interest in and to the SKIN CARE DEVICE invention invented by me as described in the U.S. patent application executed by me concurrently herewith, in and to said U.S. patent application, and in and to any and all patents and applications in any and all countries, including all divisions, continuations, continuations-in-part, reissues, and extensions thereof, resulting from the filing of or claiming priority to said U.S. patent application. I further authorize and request any official whose duty it is to issue patents to issue any patent on said invention or resulting therefrom to Olura, LLC or its successors, assigns or nominees, and I agree that on request and without further consideration, but at the expense of Olura, LLC, I will testify in any legal proceedings, sign all lawful papers, execute all divisionals, continuations, continuations-in-part, and reissue applications, make all rightful oaths, and generally aid Olura, LLC, its successors, assigns and nominees to obtain and enforce proper patent protection for said invention in all countries.

Assignment

This Agreement is made effective by and between Klaus Rosburg and Sonic Design Solutions, Inc. (collectively hereinafter "Assignors") and Olura, LLC, a Delaware limited liability company (hereinafter "Assignee").

WITNESSETH

WHEREAS, Assignee owns rights in a skin care device by virtue of an agreement between Assignee and Sonic Design Solutions, Inc.;

WHEREAS, to the extent Assignors hold any remaining interest in the system or any other intellectual property arising from their consultancy work, Assignors desire to assign their entire right, title and interest to Assignee.

NOW, THEREFORE, the parties hereby state as follows:

1.1 In consideration of \$1 and for other good and valuable consideration, the receipt and sufficiency of which is acknowledged, to the extent that Assignors hold any interest in the facial muscle toner system, Assignors each hereby assign to Assignee their entire right, title and interest in and to the skin care device, as described in the patent application executed by Shannon Gilbreth Britt and Klaus Rosburg concurrently herewith, and all other intellectual property, including but not limited to inventions, whether or not patentable, copyrightable works, mask works, and know-how, arising from Assignors' work in their role as a paid consultant to Assignee.

1.2 At the request of Assignee, Assignors shall cooperate in all lawful acts which may be desirable or necessary in the judgment of Assignee to protect for Assignee all such intellectual property.

IN WITNESS WHEREOF, the parties have caused this Agreement to be duly executed.

Shannon Gilbreth Britt,
Novion Olura, LLC

Klaus Rosburg, individually and as CEO of
Sonic Design Solutions, Inc.
