EMPLOYEE AGREEMENT

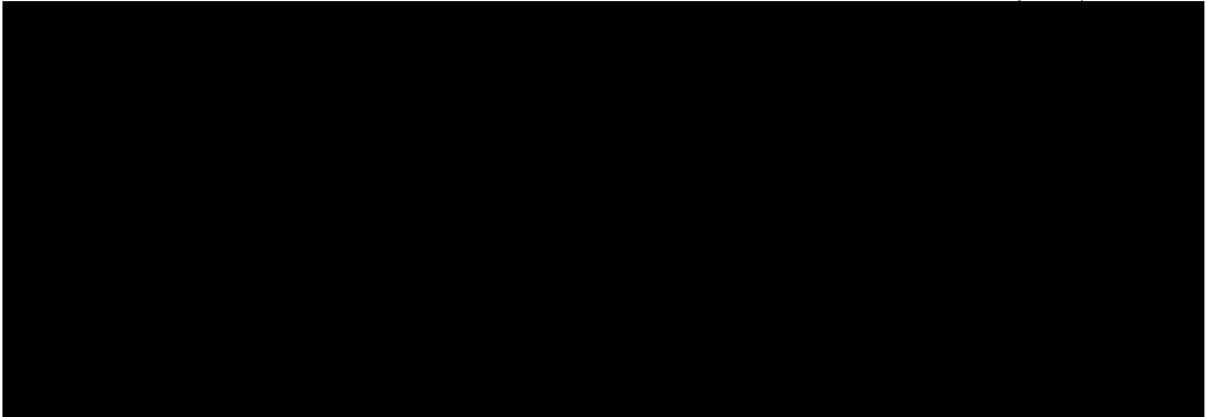

THIS AGREEMENT, entered into this 9th day of JULY, 19 98 between E. I. du Pont de Nemours and Company, a corporation of Delaware and any subsidiary division affiliate or joint-venture (hereinafter called "Employer"), and ALEX IONKIN (hereinafter called "Employee").

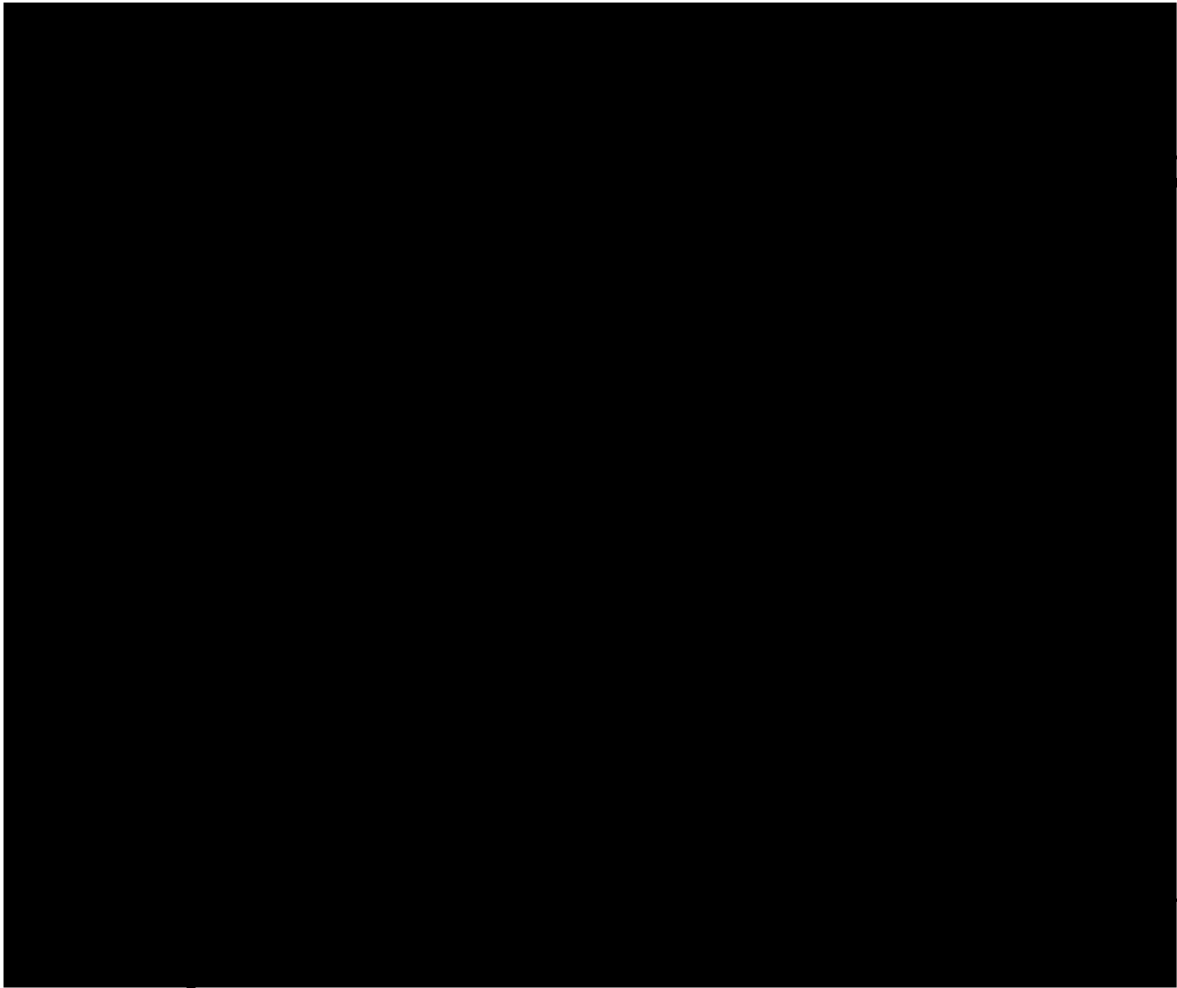

NOW, THEREFORE, in consideration of and as part of the terms of employment of Employee by Employer, at a wage or salary and for such length of time as the employment shall continue, it is agreed as follows:

2. Employee shall disclose promptly to Employer or its nominee any and all inventions, discoveries and improvements conceived, first reduced to practice, or made by Employee, either solely or jointly with others, during the period of employment which are related to the business or activities of Employer, and Employee hereby assigns and agrees to assign all his/her interest therein to Employer or its nominee whenever requested to do so by Employer. Employee shall execute any and all applications, assignments or other instruments and provide any reasonable assistance which Employer shall deem necessary to apply for and obtain Letters Patent of the United States or any non-U.S. country or to protect otherwise Employer's interest therein. These obligations shall continue beyond the termination of employment with respect to inventions, discoveries and improvements conceived or made by Employee during the period of employment or thereafter if conceived or made as a result of information received from Employer, and shall be binding upon Employee's assigns, executors, administrators and other legal representatives.

IN WITNESS WHEREOF, the parties have signed this agreement in duplicate as of the date written above.
