ASSIGNMENT

I, the undersigned inventor, have made the invention which now is described in:

U.S. Design Patent Applications 29/310,190 filed 07/31/2008 and 29/314,282 filed 3/18/2009 for the design titled Window Component Extrusion 9725-9726-9727.

NOW THEREFORE, pursuant to the obligations imposed by or arising under one or more of my employment agreement(s), advisor agreement(s), state or national statutes, common law, and administrative regulation, I hereby make the following assignment:

To **Mikron Industries, Inc.**, a corporation of the State of Washington, having a business address at 1034 Sixth Avenue North, Kent, WA 98032 USA, and its successors and assigns, I hereby:

1) assign, transfer, and set over the full and exclusive right to the above-described inventions and to the above-described patent applications as well as any substitute, continuation, continuation-in-part, or divisional application filed thereon, to any domestic or foreign application for letters patent that claims priority from any of the above-described applications, and to any letters patent that issues from such application(s) as well as any reissue application or request for reexamination filed on such letters patent;

2) covenant and agree for myself and my legal representative(s) to

a) assist said assignee and/or its designee(s), to the extent requested, in the prosecution of said application for patent, in any interference declared on said application for patent or patent issuing therefrom, or in litigation which arises out of or is based on said application for patent or patent issuing therefrom, and

b) execute all papers related to said application for patent which said assignee or its designee(s) request to be signed,

provided that expenses relating thereto shall be borne by said assignee; and

3) authorize and request the Commissioner of Patents and Trademarks to issue any letters patent of the United States relating to the above-described invention in the name of said assignee.

IN WITNESS WHEREOF, I have executed this document on the date next to my name.

Name: Michael R. Fannan
