**ASSIGNMENT**

WHEREAS We, **Drew A. Greenblatt**, residing in Potomac, Maryland and having a mailing address of 9336 Orchard Brook Drive, Potomac MD 20854 and **Wesley Chan**, residing in Columbia, Maryland and having a mailing address of 7063 Copperwood Way, Columbia MD 21046 ("Assignor") have made a certain new and useful invention as set forth in an application for United States Patent entitled "**Expanded Metal Basket**" for which we have executed an application for Letters Patent of the United States on even date herewith or filed an application for Letters Patent of the United States on **June 4, 2018** under Application No. **29/649,983**; and

AND WHEREAS, **Marlin Steel Wire Products LLC**, a corporation, having an address of 2640 Merchant Drive, Baltimore MD 21230 ("Assignee") is desirous of acquiring the entire right, title and interest in and to said invention, and in and to any and all Letters Patent of the United States and all foreign countries which may be obtained therefor;

NOW, THEREFORE, for good and valuable consideration, the receipt for and sufficiency of which is hereby acknowledged, Assignor does hereby sell, assign, transfer and set over unto Assignee, its legal representatives, successors, and assigns, the entire right, title and interest in and to said invention, including the right to claim priority under 35 U.S.C. § 119 and/or § 120 and the right to sue for past infringement, as set forth in the above-mentioned application, including said application and any continuations, continuations-in-part, divisions, reissues, re-examinations or extensions thereof, and in and to any and all patents of the United States and all foreign countries which may be issued for said invention;

UPON SAID CONSIDERATION, Assignor hereby agrees not to execute any writing or do any act whatsoever conflicting with these presents, and that Assignor will, at any time upon request, without further or additional consideration but at the expense of Assignee, execute such additional assignments and other writings and do such additional acts as Assignee may deem necessary or desirable to perfect Assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, continuations, continuations-in-part, reexamined, reissued, or extended Letters Patent of the United States and all foreign countries on said invention, and in enforcing any rights or choses in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and

other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of the assigns and legal representatives of Assignor and Assignee;

AND, Assignor requests the Commissioner of Patents and Trademarks to issue any Letters Patent of the United States which may be issued for said invention to Assignee, its legal representatives, successors or assigns, as the sole owner of the entire right, title and interest in and to said patent and the invention covered thereby.

Assignor hereby grants the firm of MILES & STOCKBRIDGE PC the power to insert on, or append to, this Assignment any further identification, including the application number and filing date, which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.
