CONFIRMATORY ASSIGNMENT OF PATENTS AND PATENT APPLICATIONS

WHEREAS, the undersigned ("Assignor") is the owner of the patents and patent applications set forth in Schedule I attached hereto and made a part hereof (collectively, the "Patents");

WHEREAS, MAG Jewelry Co., Inc., a corporation organized and existing under the laws of the State of Rhode Island and having its principal place of business of 838 Dyer Avenue, Cranston, RI 02920 ("Assignee"), desires to acquire the Assignor's right, title and interest in, to and under such Patents.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor does hereby confirm that, effective as of September 8, 2016, he sold, assigned, transferred and set over to Assignee all of his right, title and interest in, to and under the Patents, and the inventions covered thereby, together with all rights to sue for past infringement, and any continuations, divisions, continuations-in-part, substitutions, renewals and reissues or reexaminations of the Patents, the same to be held and enjoyed by Assignee for its own use and enjoyment, and for the use and enjoyment of its successors, assigns or other legal representatives to the end of the term or terms for which such Patents are or may be granted or reissued as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment and sale had not been made.

Assignor hereby covenants that it has full right to convey the entire interest herein assigned and that they have not executed, and will not execute, any agreement in conflict herewith.

Assignor hereby authorizes and requests the duly authorized officials of the United States and any and all foreign jurisdictions to take such action as may be required to give effect to the assignment and transfer made herein, including the issuance of any Letters Patent, when granted, to Assignee, its successors and assigns; and Assignor further agrees to do all things as Assignee may reasonably request to effectuate such sale, assignment and transfer in respect to each of the Patents.

IN WITNESS WHEREOF, the undersigned expressly intending to be legally bound hereby, has executed this Confirmatory Assignment as of the 19 day of September, 2019.

Alfred Magnanini
