Project/case no.: Licence
Agreement 2006-10-03

Date
2011-11-08

Termination of Licence Agreement and transfer of patent rights

We refer to meetings, conversations and correspondence regarding the Licence Agreement between Sinvent AS (Sinvent) and Nor-X Industry AS (Nor-X) dated 2006-10-03.

The parties agree to terminate the Licence Agreement. As a result of the termination, the parties have further agreed that ownership of Patents N3 and N4 as described in Appendices 1-3 of Licence Agreement should be transferred from Nor-X to Sinvent:

'Polymer compositions containing branched hybrid polymers and/or fat-soluble metal compounds as stabilizers'

By Männle, Ferdinand; Simon, Christian; Beylich, Jest; Hauge, Roger; Kleppe, Emil Arne;
Rødseth, Kåre Roger; Larsen, Åge Gellein (2005), EP 1751226 B1,
in the appendix to the Licence Agreement referred to as 'Patent N3'

'Manufacture of light protective additives based on organic/inorganic hybrid polymers'

By Männle, Ferdinand; Rødseth, Kåre Roger; Bu, Huaitian
From PCT Int. Appl. (2007), WO 2007053024 A1,
in the appendix to the Licence Agreement referred to as 'Patent N4'

Ownership of the remaining patents remains as described in the appendices.

Upon completion of such transfer, the Licence Agreement and all payment obligations arising from it will terminate. We ask Nor-X should immediately to take the necessary steps as regards the Norwegian Patent Office to transfer Patents N3 and N4 to Sinvent and to complete these steps as soon as possible.

Sinvent hereby provides its consent to the transfer. As documentation of the parties' agreement, we request that the chairman of the board of Nor-X give his consent to termination and transfer by signing a copy of this letter and returning it as soon as possible to Sinvent.

Yours sincerely
For Sinvent AS

Prosjekt / Sak:
Lisensavtale 2006-10-03

Dato:
2011-11-08

Avslutning av lisensavtale og overføring av patentrettigheter

Vi viser til møter, samtaler og korrespondanse vedrørende Lisensavtale mellom Sinvent AS (Sinvent) og Nor-X Industry AS (Nor-X) datert 2006-10-03.

Partene er enige om å avslutte lisensavtalen. Som en følge av dette er partene også enige om at eierskapet til patentene N3 og N4 nærmere beskrevet i lisensavtalens vedlegg 1-3 overføres fra Nor-X til Sinvent:

- "Polymer compositions containing branched hybrid polymers and/or fat-soluble metal compounds as stabilizers"
By Männle, Ferdinand; Simon, Christian; Beylich, Jest; Hauge, Roger; Kleppe, Emil Arne; Rødseth, Kåre Roger; Larsen, Åge Gellein (2005), EP 1751226 B1,
i vedlegget til lisensavtalen betegnet som "Patent N3"
- "Manufacture of light protective additives based on organic/inorganic hybrid polymers"
By Männle, Ferdinand; Rødseth, Kåre Roger; Bu, Huaitian
From PCT Int. Appl. (2007), WO 2007053024 A1,
i vedlegget til lisensavtalen betegnet som "Patent N4"

Eierskapet til de øvrige patentene forblir som beskrevet i vedleggene.

Ved gjennomføring av slik overføring opphører Lisensavtalen og alle betalingsforpliktelser som følger av denne. Vi forutsetter at Nor-X's straks iverksetter nødvendige tiltak ovenfor Patentstyret for å overføre patentene N3 og N4 til Sinvent, og gjennomfører disse så raskt som mulig.

Sinvent gir sin tilslutning til overføringen. Som dokumentasjon på partenes enighet ber vi om at styreleder i Nor-X gir sin tilslutning til terminering og overføring ved å skrive sitt navn på en kopi av dette brevet og returnere det snarest til Sinvent.

Med vennlig hilsen
for Sinvent AS

Nils Spidsøe
Direktør

Robert Welsvik
Styreleder Nor-X Industry AS
