ASSIGNMENT

WHEREAS, I, Hung T. Than, ASSIGNOR, citizen of the United States of America, residing at 1412 Stratton Drive, Rockville, MD 20854, United States, am a co-inventor of the inventions in **Improved Surgical Cannula** for which I have executed an application for a Patent of the United States

- ☐ which is executed on ☐ even date herewith or ☐ _____
☒ which is identified by Attorney docket no. EJM-010
☒ which was filed on September 12, 2019 as Application No. 16/568,816,

and WHEREAS, Edward J. Mikol, ASSIGNEE, citizen of the United States of America, residing at 1153 Blackheath Court, Myrtle Beach, SC 29575, United States, and a co-inventor of the above said inventions and said patent applications, is desirous of obtaining my entire right, title and interest in, to and under the said inventions and the said patent applications:

NOW, THEREFORE, in consideration of the sum of Ten Dollars (\$10.00) to me in hand paid, and other good and valuable consideration, the receipt of which is hereby acknowledged, we, the said ASSIGNOR, has sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over, unto the said ASSIGNEE, its successors, legal representatives and assigns, our entire right, title and interest in, to and under the said invention, and the said United States application and all divisions, renewals and continuations thereof, and all Patents of the United States which may be granted thereon and all reissues and extensions thereof; and all applications for industrial property protection, including, without limitation, all applications for patents, utility models, and designs which may hereafter be filed for said invention in any country or countries foreign to the United States, together with the right to file such applications and the right to claim for the same the priority rights derived from said United States application under the Patent Laws of the United States, the Patent Cooperation Treaty, the Hague Agreement Concerning the International Registration of Industrial Designs, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such application is filed, as may be applicable; and all forms of industrial property protection, including, without limitation, patents, utility models, inventors' certificates and designs which may be granted for said invention in any country or countries foreign to the United States and all extensions, renewals and reissues thereof;

AND I HEREBY authorize and request the Commissioner for Patents of the United States, and any Official of any country or countries foreign to the United States, whose duty it is to issue patents or other evidence or forms of industrial property protection on applications as aforesaid, to issue the same to the said ASSIGNEE, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

AND I HEREBY covenant and agree that I have full right to convey the entire interest herein assigned, and that I have not executed, and will not execute, any agreement in conflict herewith.

AND I HEREBY further covenant and agree that I will communicate to the said ASSIGNEE, its successors, legal representatives and assigns, any facts known to me respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing, reissue and foreign applications, make all rightful oaths, and generally do everything possible to aid the said ASSIGNEE, its successors, legal representatives and assigns, to obtain and enforce proper protection for said invention in all countries.

AND I HEREBY retain the power to insert on this Assignment any further identification that may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.

IN TESTIMONY WHEREOF, I hereunto set my hand and seal the day and year set opposite my respective signature.
