ASSIGNMENT

I, the undersigned inventor, have made inventions which now are described in the United States Patent Application titled Hanger for Messenger Wire.

NOW THEREFORE, pursuant to the obligations imposed by or arising under one or more of my employment agreement(s), advisor agreement(s), state or national statutes, common law, and administrative regulation, I hereby make the following assignment:

To Autronic Plastics, a corporation organized under the laws of the State of New York, having a business address of 1150 Motor Parkway, Central Islip, NY 11722, and its successors and assigns, I hereby:

1) assign, transfer, and set over the full and exclusive right to the above-described inventions and to the above-described patent applications and any patent application claiming the benefit of or priority to any of these patent applications as well as any substitute, continuation, continuation-in-part, or divisional application filed thereon, to any application for letters patent that claims priority from the above-described applications, and to any letters patent that issues from such application(s) as well as any reissue application or request for reexamination filed on such letters patent;

2) covenant and agree for myself and my legal representative(s) to

a) assist said assignee and/or its designee(s), to the extent requested, in the prosecution of said application for patent, in any interference declared on said application for patent or patent issuing therefrom, or in litigation which arises out of or is based on said application for patent or patent issuing therefrom, and

b) execute all papers related to said application for patent which said assignee or its designee(s) request to be signed,

provided that expenses relating thereto shall be borne by said assignee; and

3) authorize and request the Commissioner of Patents and Trademarks to issue any letters patent of the United States relating to the above-described invention in the name of said assignee.

IN WITNESS WHEREOF, I have executed this document with the effective date below.

Agjah I. Libohova

Date: 02/08/19
