ASSIGNMENT

WHEREAS, I, David A. Gallant of 3309 Blake Street #210, Denver, Colorado, USA 80205; together with Kelly E. Long of 11136 Bryant Drive, Westminster, Colorado, USA 80234, Sebastian Piotr Sobolewski of 14665 Federal Boulevard, Broomfield, Colorado, USA 80023, and Paul A. Ashmore of 543 Americana Road, Longmont, Colorado, USA 80504, and; have invented a certain new and useful invention entitled "PRIMARY DATA STORAGE SYSTEM WITH QUALITY OF SERVICE" for which a United States provisional patent application was filed on November 7, 2011, accorded Application No. 61/556,820, and further identified as Attorney Docket No. 6008.0005,

NOW, THEREFORE, be it known that I, one of the said inventors, for and in consideration of certain good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, at the request of the assignee do sell, assign and transfer unto said assignee, NexGen Storage, Inc., a Delaware corporation having a place of business at 400 Centennial Parkway, Suite 110, Louisville, Colorado, USA 80027, its successors, legal representatives and assigns, the aforesaid provisional application, all applications in the United States and any other country that claim priority, directly or indirectly, to the aforesaid provisional application and all applications in the United States and any other country that claim any portion of the invention, including without limitation all continuation, divisional, continuation-in-part and reissue applications, all patent applications in foreign countries, all applications pursuant to the Patent Cooperation Treaty and all applications for extension filed or to be filed for the invention, and all Letters Patent, Invention Registrations, Utility Models, Extensions or Reissues and other patent rights, obtained for the invention in the United States or any other country; I also assign any right, title or interest in and to the said invention which has not already been transferred to the assignee; I warrant that I have made no assignment of the invention, application or patent therefor to a party other than NexGen Storage, Inc., and I am under no obligation to make any assignment of the invention, application, or patent therefor to any other party; and I further agree to cooperate with the assignee hereunder in the obtaining and sustaining of any and all such Letters Patent and in confirming assignee's exclusive ownership of the invention, but at the expense of said assignee.

The Commissioner for Patents is hereby authorized and requested to issue any Letters Patent concerning this invention solely in accordance with the terms of this Assignment, to NexGen Storage, Inc., its successors, legal representatives and assigns, as the assignee of the entire right, title and interest therein.

IN WITNESS WHEREOF, the party hereto has executed this Assignment as of the date indicated hereunder.
