### GRAPHENE FOR FERTILIZER APPLICATIONS

for which a US patent application was filed on June 12, 2019 and assigned Serial No. 16/468,712

WHEREAS, The University of Adelaide, an Australian University duly organized and existing under and by virtue of the laws of Australia and having its principal office and place of business at North Terrace, Adelaide, South Australia 5005, Australia, is desirous of acquiring the entire right, title and interest in and to said invention, and in, to and under any application directed thereto and any Letters Patent of the United States which may be obtained therefore;

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN:

BE IT KNOWN that in consideration of the sum of One Australian Dollar (AU\$1.00) and other good and valuable consideration received from said assignees, the receipt of which is hereby acknowledged, we, Dusan LOSIC, Shervin KABIRI, Michael MCLAUGHLIN, Diana TRAN, and Ivan ANDELKOVIC, have sold, assigned, transferred and set over unto and do hereby sell, assign, transfer and set over unto said University, its successors and assigns, the full and exclusive right to the said invention in the United States and all foreign countries, as described in the aforementioned application, and in, to and under any reissue, divisional, continuing or substitute application thereof, and in, to and under any Letters Patent that may be issued for said invention in the United States; and we do hereby covenant and agree for ourselves and our legal representatives to assist said assignee in the prosecution of the said application or applications and in any interference or litigation which

may arise involving said invention or the said patent or patents, and to execute and assign to said University any reissue application thereon, or any divisional, continuing, or substitute application based on or corresponding to the above specifically identified application, as may be requested by said assignees, all however at the expense of said assignee; and we do hereby authorize and request the Director of Patents and Trademarks to issue said Letters Patent of the United States upon the above specifically identified application for said invention to The University of Adelaide, aforesaid, as assignee of our entire right, title and interest in and to the same for the sole use and behoof of said assignee, its successors and assigns.
