ASSIGNMENT

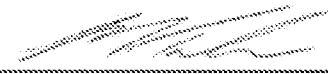

Whereas, We, Stephen McCallum Tocker, with a mailing address at The Beehive, City Place, Gatwick, RH6 0PA, Sussex, United Kingdom, and William Howden Simpson, with a mailing address at The Beehive, City Place, Gatwick RH6 0PA, Sussex, United Kingdom, hereafter collectively referred to as the "Joint Inventors", have jointly invented certain new and useful improvements in a "Thermal Device" for which Utility Patent Application number 15/029,669 was filed on 15 April 2016, with the United States Patent and Trademark Office (the "Invention"); and

Whereas, BodyChillz Limited, hereafter referred to as "Assignee", a company organized under the laws of the United Kingdom, whose registered address is Atlantic House, 8 Bell Lane, Bellbrook Industrial Estate, Uckfield, East Sussex, TN22 1QL, United Kingdom, is desirous of acquiring the entire right, title and interest in the Invention in the United States;

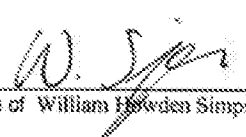

Now, therefore, in consideration of the sum of one dollar (\$1.00), the receipt of which is acknowledged, and other good and valuable consideration, we, the Joint Inventors, by these presents do sell, assign and transfer unto said Assignee the full and exclusive right to the said Invention in the United States, and the entire right, title and interest in and to any and all applications, and patents, including the provisional application and the utility patent application, division, reissue, or continuation applications and extensions thereof, and all rights of priority resulting from the filing of said application, which may be granted therefor in the United States.

We agree to execute all papers useful in connection with said United States, and generally to do everything reasonable to aid said Assignee, its successors, assigns and nominees, at their request and expense, in obtaining and enforcing patents for said Invention in the United States; and we hereby authorize and request the Commissioner of Patents and Trademarks to issue all United States patents granted for said Invention to said Assignee, its successors and assigns, of the entire right, title, and interest in and to the same, for its sole use and behoof; and for the use and behoof of its legal representatives, to the full end of the term for which said Patent may be granted, as fully and entirely as the same would have been held by me had this assignment and sale not been made.
