RE: transfer of assignment of U58759391 & US9050293

Dear Reviewer,

We have purchased the assets of Juventio LLC which included the trademark and patents. We have had the trademarks assigned to Puralab LLC and now we seek to have the two patents from the asset purchased transferred to us. We supply the following documents to support this transaction and our request for transfer.

1. The original purchase of assets sales agreement dated 10/15/2018.
2. A supplemental letter from the seller affirming that the asset sale included the sale of the patent and trademark ownership and assignments.
3. Corporate registration information to show that Puralab noted in the sales agreement is the same Puralab of this application of assignment. Please note: we moved to a larger facility to accommodate the asset purchase property and business activity.

We appreciate your help in completing this transfer.

Thank you,
