MSRB2 Room 1045
Durham, NC, 27710

Youngju Lee
Duke School of Medicine
Department of Surgery
MSRB2 Room 1045
Durham, NC, 27710

confirm our obligation to and effective as of April 3, 2017, hereby sell, assign and convey, unto Assignee, its successors and assigns, our entire right, title and interest –

(1) in and to an invention entitled “COMPOSITIONS AND METHODS FOR DIFFERENTIAL INDUCTION OF CELL DEATH AND INTERFERON EXPRESSION” for which International Patent Application No. PCT/US2018/025884 was filed April 3, 2018 (Attorney Docket No. 5667-00429), which application claims the benefit of priority of United

States Provisional Patent Application No. 62/480,780 filed April 3, 2017 (hereinafter the International Patent Application and the United States Provisional Patent Application”);

(2) in and to said International Patent Application and the United States Provisional Patent Application, in and to all other patent applications derived from or relating to said International Patent Application and the United States Provisional Patent Application (including divisional, continuation, continuation-in-part, §111(b) provisional, §111(a), and reissue applications) based upon said invention, and in and to the patent or patents to be granted thereon, including reissues or reexaminations thereof, if any, to the full end of the term or terms for which said patent or patents may be granted;

(3) in and to all patent applications on said invention now or hereafter filed in countries foreign to the United States of America, and in and to any and all patents granted on said applications to the full end of the terms for which said patents may be granted; and

(4) in and to all applications filed under International Conventions on the invention or claiming priority to the International Patent Application and the United States Provisional Patent Application.

We agree that any patent applications with a claim to priority based on said International Patent Application and the United States Provisional Patent Application may be filed in the name of Assignee.

We hereby agree that we will, upon demand of Assignee, its successors or assigns, and without further consideration to us, execute any and all papers that may be necessary, or deemed to be necessary, by Assignee, its successors or assigns, to a complete fulfillment of the intent and purposes of this Assignment, it being understood that any expense incident to the execution of such papers shall be paid by Assignee, its successors and assigns, and not by us.

The Commissioner of Patents and Trademarks of the United States is hereby authorized and requested to issue said patent or patents to Assignee.
