WORLDWIDE ASSIGNMENT

WHEREAS We, **Microbonds Inc.**, a corporation duly organized under the laws of Ontario, Canada and having a principal office or place of business at **7495 Birchmount Road, Markham, Ontario L3R 5G2, CANADA**, possess right, title and interest to and in the invention described in the patent application listed in Schedule "A";

AND WHEREAS **Wire Art Switzerland SA** (the "Assignee"); a company duly organized under the laws of Switzerland, whose full postal address is **Rue du Progrès 31a, CH-1450 Ste Croix**, is desirous of acquiring from us all our right, title, and interest in the United States of America in and to said invention, said patent application, and any Letters Patent that may be obtained therefor;

NOW THEREFORE, in consideration of the sum of One Dollar (\$1.00), and other good and valuable consideration, the receipt of all of which is hereby acknowledged, we, **Microbonds Inc.**, by these presents confirm that we do hereby sell, assign and transfer unto the Assignee, our full right to the said invention in the United States of America and our entire right, title and interest in and to any and all Letters Patent which may be granted therefor, and our entire right, title and interest in said patent application, any provisional and/or non-provisional applications, patents, reissues, divisionals, continuations, continuations-in-part, extensions thereof, and supplementary disclosures thereto, and in and to any additions or modifications to said invention and, in jurisdictions where available, the right to claim damages for past infringement upon any right to said inventions, together with our right to claim the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property based on said patent applications.

We agree that we will without further consideration do all such things and execute all such documents as may be necessary or desirable to obtain and maintain patents for said inventions and for additions and modifications thereto in any and all countries, and to vest title thereto in the Assignee, its successors, assigns and legal representatives or nominees.

 
PATENT

We hereby authorize and request the Commissioner of Patents and Trademarks to issue said Letters Patent to the Assignee, the assignee of our entire right, title and interest in and to the same, for its sole use and benefit, and for the use and benefit of its successors and assigns, to the full end of the term for which Letters Patent may be granted as fully and entirely as the same would have been held by us had this assignment and sale not been made.
