ASSIGNMENT

THIS ASSIGNMENT, made on the date set forth below by **Gene Parunak**, a U.S. citizen, having an address at **10101 Feldkamp Rd., Saline, MI, 48176**, (hereinafter referred to as "the Assignor"), witnesseth:

WHEREAS, the Assignor has invented or co-invented certain new and useful improvements (hereinafter referred to as "the Inventions") for which certain U.S. and international applications for Letters Patent have been filed, identified at least as follows:

1) U.S. Patent No. **9,681,915** (U.S. Application Serial No. 15/131,504), filed **April 18, 2016**, entitled: **Septotomy Catheter for Aortic Dissection**;

2) U.S. Application Serial No. **15/602,516**, filed **May 23, 2017**, entitled: **Septotomy Catheter for Aortic Dissection**; and

3) International Patent Application **PCT/US2017/19252**, filed **February 24, 2017**, entitled: **Septotomy Catheter for Aortic Dissection**

; and

WHEREAS, **Ramon Berguer**, having an address at **5755 Bloomfield Glens Road, West Bloomfield, MI, 48322**; and **Juan Parodi**, having an address at **4779 Collins Ave., Miami, FL, 33140** (hereinafter referred to as "the Assignees"), are desirous of acquiring the right, title, and interest in and to the Inventions and the U.S. and international applications for Letters Patent, and in and to any Letters Patent or Patents, United States or foreign, to be obtained therefor and therefrom.

NOW, THEREFORE, for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Assignor has sold, assigned, transferred, and set over, and by these presents does sell, assign, transfer, and set over, unto the Assignees, its successors, legal representatives, and assigns, the entire right, title, and interest in and to the Inventions, in and to the above-identified U.S. and international applications for Letters Patent, in and to any applicable parent or priority applications to the above-identified U.S. and international applications for Letters Patent, in and to any application(s) for Letters Patent claiming benefit of the above-identified applications for Letters Patent, including any and all divisions, continuations, and continuations-in-part of the above-identified applications for Letters Patent, in and to any and all Letters Patent or Patents (hereinafter referred to as "the Letters Patent or Patents") in the United States of America and all foreign countries which may be granted therefor and therefrom, in and to any enhancements, improvements, and extensions thereon, and all rights under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes ("Assigned Patent Rights"), the same to be held and enjoyed by the Assignees, for its own use and behoof and the use and behoof of its successors, legal representatives, and assigns, to the full end of the term or terms for which the Letters Patent or Patents may be granted, as fully and

entirely as the same would have been held and enjoyed by the Assignor had this sale and assignment not been made;

AND for the same consideration, the Assignor has sold, assigned, transferred, and set over, and by these presents does sell, assign, transfer, and set over, unto the Assignees, its successors, legal representatives, and assigns, any and all confidential know-how, ideas, concepts, procedures, processes, methods, data, other information, and any proprietary rights that the Assignor may have which are not disclosed in the above-identified applications for Letters Patent and which are necessary or appropriate for, or useful in connection with, the development or commercialization and realization of, or any further research with respect to, the Assigned Patent Rights;

AND for the same consideration, the Assignor hereby represents and warrants that, at the time of execution and delivery of these presents, the Assignor is the sole and lawful owner of the entire right, title, and interest in and to the Assigned Patent Rights and that the same are unencumbered and that the Assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth;

AND for the same consideration, the Assignor hereby covenants and agrees to and with the Assignees, its successors, legal representatives, and assigns, that the Assignor shall execute all papers and documents, take all lawful oaths, make all lawful declarations, and do all acts necessary or required to be done for the procurement, protection, maintenance, enforcement, and defense of the Assigned Patent Rights;

AND for the same consideration, the Assignor hereby covenants and agrees to and with the Assignees, its successors, legal representatives, and assigns, that the Assignor shall execute all papers and documents necessary in connection with any interference, reexamination, supplemental examination, reissue, or any post-grant review procedure that may be declared concerning the Letters Patent or Patents and to cooperate with the Assignees in every way possible in obtaining evidence and going forward with such interference, reexamination, supplemental examination, reissue, or post-grant review procedure;

AND for the same consideration, the Assignor hereby covenants and agrees to and with the Assignees, its successors, legal representatives, and assigns, that the Assignor shall perform all affirmative acts which may be necessary to obtain or maintain the grant of the Letters Patent or Patents to the Assignees in the United States of America and all foreign countries;

AND for the same consideration, the Assignor hereby covenants and agrees to and with the Assignees, its successors, legal representatives, and assigns, that the Assignor shall execute separate assignment documents in connection with the Assigned Patent Rights as the Assignees may deem necessary or expedient.

The Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks and any counterpart thereto of any and all countries foreign to the United States of America to issue, respectively, any Letters Patent or Patents of the United States and any Letters Patent or Patents of any foreign patent office resulting from the Assigned Patent Rights to the Assignees, as the

Assignees of the Assigned Patent Rights, for the sole use and behoof of the Assignees, its successors, legal representatives, and assigns.

The undersigned hereby grants the firm of **BLANK ROME LLP** the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office or any foreign counterpart thereto for recordation of this document.

IN WITNESS WHEREOF, the Assignor has hereunto set his hands as of the date written below.
