ASSIGNMENT

WHEREAS, the undersigned David McGhee, an individual, residing at 740 El Dorado Way, Monument, Colorado 80132, (hereinafter referred to as the "Assignor") has agreed to transfer all of his right, title and interest in the United States and foreign patent rights in each of the inventions described in the patents and patent applications set forth in Exhibit A ("Patents") to Gene Pool Technologies, Inc., a corporation organized and existing under the State of Colorado, having a place of business 1002 Walnut Street, Suite 300, Boulder, Colorado 80302 (hereinafter referred to as the "Assignee").

THEREFORE, Assignor, for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, does hereby sell, assign, convey and transfer unto Assignee all right, title and interest in and to the inventions described in said Patents, together with all continuation, divisional, continuation-in-part, reexamination and reissue applications, and all corresponding foreign applications and patents which may be filed thereon, including the right to prosecute such patent applications as well as to claim priority from any application identified in Exhibit A. Assignor hereby agrees that Assignor, along with its employees, agents and assignors will sign all lawful papers, including, without limitation, all divisional, continuation, continuation-in-part, renewal, extension, reexamination and reissue applications, and make all rightful oaths in execution thereof, and will generally do everything possible to aid Assignee, its successors, assigns and nominees to obtain and enforce proper protection for the inventions, and Patents assigned herein in all countries, this obligation to be binding upon Assignor and upon Assignor's personal representative or other legal successor. This Assignment includes the right, if any, for Assignee to sue or bring other actions for past, present and future infringement. Furthermore, this Assignment shall be deemed a full legal and formal equivalent of any assignment, consent to file or like document which may be required in any country for any purpose regarding the subject matter hereof.
