CONFIRMATION OF ASSIGNMENT

WHEREAS I, **Dennis CAMBREY**, (hereinafter called the "Assignor"), of 2731 Vigar Rd., Campbell River, BC V9W 6G4, Canada, am the inventor of certain inventions or improvements described and claimed in the United States Patent No. **8304680** which issued 6 November 2012, titled:

PORTABLE BORE WELDING MACHINE

AND WHEREAS, **SPR York Holdings ULC**, a corporation duly organized under and pursuant to the laws of the Province of British Columbia, Canada (hereinafter called the "Assignee) whose full post office address is **1641 17th Avenue, Campbell River, BC V9W 4L5, Canada**, has acquired, by assignment, the entire right, title and interest in and to the said inventions or improvements, and in and to the said application, and in, to and under any and all Letters Patent which may be granted on or as a result thereof in any and all countries;

AND WHEREAS it is desired, by this Memorandum, to confirm the assignment aforesaid, and to provide evidence thereof for recordal in such Patent Offices as may be expedient;

NOW THEREFORE, in consideration of the sum of ONE HUNDRED (\$100.00) DOLLARS and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I, the Assignor, confirm that I have and do hereby sell, assign, transfer and set over to the Assignee the entire right, title and interest in and to the said inventions or improvements and said application, and any and all continuations, divisions, renewals of or substitutes for said application, and in, to and under any and all Letters Patent which have been granted on or as a result thereof, and any reissue or reissues of said Letters Patent, the same to be held and enjoyed by the Assignee, its successors, assigns, nominees or legal representatives, to the full end of

the term or terms for which said Letters Patent respectively may be granted, reissued or extended, as fully and entirely as the same would have been held and enjoyed by me, had this assignment, sale and transfer not been made;

AND I hereby covenant that I have full right to convey the entire interest herein assigned, and that I have not executed and will not execute any agreement in conflict herewith, and I further covenant and agree that I will, each time request is made and without undue delay, execute and deliver all such papers as may be necessary or desirable to perfect the title to said inventions or improvements, said application and said Letters Patent, in the Assignee, its successors, assigns, nominees or legal representatives, and I agree to communicate to the Assignee, or its nominees, all known facts respecting said inventions or improvements, said application and said Letters Patent, to testify in any legal proceedings, to sign all lawful papers, to execute all disclaimers and divisional, continuing, reissue and foreign applications, to make all rightful oaths, and generally to do everything possible to aid the Assignee, its successors, assigns, nominees and legal representatives to obtain and enforce for its or their own benefit, proper patent protection for said inventions or improvements in any and all countries, all at the expense, however, of the Assignee or its successors, assigns, nominees or legal representatives;

AND I hereby authorize and request the Commissioner of Patents and Trademarks of the United States of America whose duty it is to issue patents on applications as aforesaid, to issue to the Assignee, as assignee of the entire right, title and interest, any and all Letters Patent for said inventions or improvements, which have been issued and granted on or as a result of the application aforesaid, in accordance with the terms of this Assignment.

This is a nunc pro tunc assignment which gives effect to a transaction which was concluded in July of 2017, the parties having discovered that not al
