ASSIGNMENT

WHEREAS, We, AI NAGANO and Nobuhiro KITAI, each Japanese citizens, each having an address at c/o SHT Corporation Limited, 5-6, Rinkuoraiminami, Izumisano-shi, Osaka, Japan, have invented certain new and useful improvements in **CORE FOR ELECTRIC CURRENT DETECTOR AND METHOD FOR MANUFACTURING THE SAME**, for which we filed Japanese Application No. 2018-195125 on October 16, 2018, and for which we are about to make application for Letters Patent of the United States;

AND WHEREAS, **SIIT Corporation Limited**, a Japanese corporation, having a place of business at 5-6, Rinkuoraiminami, Izumisano-shi, Osaka 5980047, Japan, hereinafter called the "assignee", is desirous of acquiring the entire right, title and interest in and to said application for Letters Patent of the United States and the inventions and improvements therein disclosed for the United States of America;

NOW, THEREFORE, in consideration of One (\$1.00) Dollar and other good and valuable consideration paid to us by said assignee, receipt whereof we hereby acknowledge, we do hereby assign, sell, transfer, and set over unto said assignee the entire right, title and interest in and to said application for Letters Patent of the United States and the inventions and improvements therein disclosed for the United States of America, and any Letters Patent which may issue therefor in the United States and all divisions, reissues, continuations, renewals, and/or extensions thereof in the United States including all priority rights under the International Convention associated therewith for the United States, said assignee to have and to hold the interests herein assigned to the full ends of the terms of said Letters Patent and any and all divisions, reissues, continuations, renewals, and/or extensions thereof in the United States, respectively, as fully and entirely as the same would have been held and enjoyed by us had this assignment not been made.

The United States Commissioner of Patents and Trademarks is requested to issue such Letters Patent in accordance herewith. We covenant that we are the lawful owners of the said applications, inventions, and improvements, that the same are unencumbered, that no license has been granted to make, use, or vend the said inventions or improvements or any of them, and that we have the full right to make this assignment.

And for the consideration aforesaid, we agree that we will communicate to said assignee or the representatives thereof any facts known to us respecting said inventions and improvements, and will, upon request, but without expense to us, testify in any legal proceedings, sign all lawful papers, execute all divisional, reissue, continuation, renewal, and/or extension applications for the United States, make all rightful oaths, and generally do all other and further lawful acts, deemed necessary or expedient by said assignee or by counsel for said assignee, to assist or enable said assignee to obtain and enforce full benefits from the rights and interests herein assigned. This assignment shall be binding upon our heirs, executors, administrators, and/or assigns, and shall inure to the benefit of the heirs, executors, administrators, successors, and/or assigns, as the case may be, of said assignee.
