SUCCESSIVE ASSIGNMENT

WHEREAS, I, Suzanne Dalton ("Dalton"), a citizen of United Kingdom and President of Copywrighte (a corporation organized and existing under the laws of France, and having a place of business at 4/6 rue de Sèze, 75009 Paris, France) ("Copywrighte"), have solely invented a new, original, and ornamental design for a

BOTTLE (NOMADE)

as described or intended to be described and set forth in United States Design Patent Application Serial 29/656,570, filed on July 13, 2018, preparatory to obtaining Design Letters Patent of the United States therefor; and

WHEREAS, Coty SAS ("Coty"), a corporation organized and existing under the laws of France, and having a place of business at 14 rue du Quatre Septembre, 75002 Paris, France is desirous of acquiring the entire right, title, and interest in and to said invention, said application, and any Letters Patent which may be granted therefor or thereupon, together with any and all divisions, continuations, reissues and extensions thereof:

NOW, THEREFORE, to all whom it may concern, be it known that, for and in consideration of good and valuable consideration, the receipt of which is hereby acknowledged, Dalton hereby first sells, assigns, transfers, quits claim and sets over, unto Copywrighte, its successors and assigns, whatever rights, title and interest Dalton holds in and to said invention, design application executed of even date herewith, and any Letters Patent which may be granted therefor or thereupon, together with any and all divisions, continuations, reissues and extensions thereof, all foreign rights to said invention, and all rights under the International Convention in respect to said invention and application (collectively, "Dalton's Rights").

In accordance with the terms and conditions of the agreement executed between Coty and Copywrighte, and having duly received all Dalton's Rights, Copywrighte hereby then sells, assigns, transfers and sets over all rights, ~~including, without limitation, Dalton's Rights or any rights otherwise Copywrighte has received or possesses,~~ unto Coty, its successors and assigns, including the entire right, title and interest in and to said invention, design application executed of even date herewith, and any Letters Patent which may be granted therefor or thereupon, together with any and all divisions, continuations, reissues and extensions thereof, all foreign rights to said invention, and all rights under the International Convention in respect to said invention and application.

And I, Dalton, as sole inventor, and with full authority to sign on behalf of and bind Copywrighte to the conveyances herein, hereby agree to communicate to Coty or its representatives any facts known to me respecting said invention and improvements, to testify in any legal proceeding relating thereto, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths and in addition to execute any and all documents that may be required in order that the Assignee may make application for Letters Patent on said invention in foreign countries in its own name. And I do hereby authorize and request the Commissioner of Patents

and Trademarks to issue any Letters Patent which may be granted for or upon said invention or applications unto the Assignee, its successors and assigns, in accordance with this assignment
