CONFIRMATORY ASSIGNMENT

THIS CONFIRMATORY ASSIGNMENT, by David Phillip CADOGAN; Jonathan Michael HINKLE; Jeffrey Lewis ROUSHEY; Tony Ray McKEE; Ralph Olav ELGESEM (hereinafter collectively referred to as the "Assignors")

WHEREAS, said Assignor has invented certain new and useful improvements in a DEPLOYABLE FLEXIBLE FLOOD MITIGATION DEVICE; set forth in an application for Letters Patent of the United States filed October 8, 2013, U.S. Serial No. 14/048,484.

WHEREAS, ILC Dover LP, a limited Partnership duly organized under and pursuant to the laws of Delaware, USA and having a principal place of business at: One Moonwalker Road, Frederica, DE 19946-2080 (hereinafter referred to as the "Assignee") is desirous of acquiring the entire right, title and interest in and to said inventions and applications for Letters Patent of the United States, and in and to any Letters Patent or Patents, United States or foreign, to be obtained therefore and thereon:

NOW, THEREFORE, in consideration of one Dollar (\$1.00 USD) and other good and sufficient considerations, the receipt of which is hereby acknowledged, said Assignor has sold, assigned, transferred and set over, and by these presents confirms his sale, assignment, transfer and set over, unto said Assignee, its successors, legal representatives and assigns, Assignor's interest in the entire right, title and interest in and to the above-mentioned inventions, application for Letters Patent, and any and all Letters Patent or Patents in the United States of America and all foreign countries which may be granted therefore and thereon, and in and to any and all divisions, continuations, and continuations-in-part of said application, or reissues or extensions of said Letters Patent or Patents, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by said Assignee, for its own use and behalf and the use and behalf of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent or Patents may be granted, as fully and entirely as the same would have been held and enjoyed by the Assignor, had this sale and assignment not been made.

AND for the same consideration, said Assignor hereby covenants and agrees to and with said Assignee, its successors, legal representatives and assigns, and confirms that, at the time of invention, said Assignor was the lawful owner of the entire right, title and interest in and to said invention and the application for Letters Patent above mentioned, and that the same was unencumbered and that said Assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, said Assignor hereby covenants and agrees to and with said Assignee, its successors, legal representatives and assigns, that said Assignor will, whenever counsel of said Assignee, or the counsel of its successors, legal representatives and assigns, shall advise that any proceeding in connection with said inventions, or said application for Letters Patent, or any proceeding in connection with Letters Patent for said inventions in any country, including interference proceedings, is lawful and desirable, or that any division, continuation or continuation-in-part of any application for Letters Patent, or any reissue or extension of any Letters Patent, to be obtained thereon, is lawful and desirable, sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of Letters Patent for said inventions, without charge to said Assignee, its successors, legal representatives and assigns, but at the cost and expense of said Assignee, its successors, legal representatives and assigns.

ASSIGNOR(S) does/do hereby authorize ASSIGNEE or its patent agents or attorneys to insert, above, the jurisdictions, application numbers, filing dates and any other indicia identifying the Applications when such information is available for the purpose of recording this assignment.

THIS CONFIRMATORY ASSIGNMENT is effective, *nunc pro tunc*, as of the filing date of October 8, 2013 of an application for Letters Patent to which is assigned serial number 14/048,484.
