Attorney Docket: BABY002

Invention Title: APPARATUS AND METHOD FOR PREPARING INGREDIENTS FOR A
BABY BOTTLE USING A CONCENTRATED SOLUTION

ASSIGNMENT

WHEREAS, I, JONATHAN GJEMSO of 9743 Reseda Blvd., Unit #3, Northridge, CA 91324, United States of America (hereinafter "Assignor") have invented certain new and useful improvements in APPARATUS AND METHOD FOR PREPARING INGREDIENTS FOR A BABY BOTTLE USING A CONCENTRATED SOLUTION (hereinafter "the Invention") for which a United States patent application was filed on April 30, 2016, Application Serial No. 15/143,523, and for which a PCT application was filed on April 29, 2016, International Application No. PCT/US16/30318, and for which additional foreign utility patent applications and/or a United States design application may be being filed.

AND

WHEREAS, THE BABY BARISTA COMPANY, a Corporation organized and existing under the laws of the State of Delaware, United States of America and having a place of business at 23920 Linden Terrace, Calabasas, California, 91302, United States of America, (hereinafter "Assignee"), is desirous of acquiring the entire right, title, and interest in the Invention within the United States of America and its territorial possessions, and in all foreign countries and jurisdictions in which intellectual or industrial property protection may be granted therefor.

NOW, THEREFORE, for good and valuable consideration, the receipt whereof I hereby acknowledge, I, the Assignor, desire to and do hereby assign, sell, and transfer unto Assignee the full and exclusive right to the Invention in the United States of America and its territorial possessions and in all foreign countries and jurisdictions, as well as, the entire right, title and interest in and to any and all intellectual or industrial property rights including, but not limited to, patents, designs, utility models, and inventor certificates which may be granted therefor in the United States of America and its territorial possessions and in all foreign countries and jurisdictions. I hereby authorize and request the U.S. Patent and Trademark Office and the equivalent offices of foreign countries and jurisdictions, to issue to Assignee, any and all applicable intellectual or industrial property rights in the Invention, for Assignee's sole use and benefit, for the full extent of the term for which United States and foreign patents and the like may be granted, as fully and entirely as the same would have been held by me had this assignment and sale not been made.

I further covenant and agree with Assignee that I have full and unencumbered title to the invention hereby assigned, which title I warrant unto Assignee, and I further agree that I will, without demanding any further consideration therefor, and at the request and at the expense of Assignee, do all lawful and just acts, including the execution and acknowledgment of instruments, that may be or become necessary for obtaining, sustaining, extending, reissuing, or reexamining United States and foreign patents or the like for the Invention, and for maintaining and perfecting Assignee's right to the Invention and any and all intellectual or industrial property rights therein, particularly in cases of interference, conflict, opposition, and litigation.

IN TESTIMONY WHEREOF, I have hereunto set my hand.

Executed this 11th day of October, 2016,

at Corvallis, OR (City, State).

WHEREAS, THE BABY BARISTA COMPANY, a Corporation organized and existing under the laws of the State of Delaware, United States of America and having a place of business at 23920 Linden Terrace, Calabasas, California, 91302, United States of America, (hereinafter "Assignee"), is desirous of acquiring the entire right, title, and interest in the Invention within the United States of America and its territorial possessions, and in all foreign countries and jurisdictions in which intellectual or industrial property protection may be granted therefor.

NOW, THEREFORE, for good and valuable consideration, the receipt whereof I hereby acknowledge, I, the Assignor, desire to and do hereby assign, sell, and transfer unto Assignee the full and exclusive right to the Invention in the United States of America and its territorial possessions and in all foreign countries and jurisdictions, as well as, the entire right, title and interest in and to any and all intellectual or industrial property rights including, but not limited to, patents, designs, utility models, and inventor certificates which may be granted therefor in the United States of America and its territorial possessions and in all foreign countries and jurisdictions. I hereby authorize and request the U.S. Patent and Trademark Office and the equivalent offices of foreign countries and jurisdictions, to issue to Assignee, any and all applicable intellectual or industrial property rights in the Invention, for Assignee's sole use and benefit, for the full extent of the term for which United States and foreign patents and the like may be granted, as fully and entirely as the same would have been held by me had this assignment and sale not been made.

I further covenant and agree with Assignee that I have full and unencumbered title to the invention hereby assigned, which title I warrant unto Assignee, and I further agree that I will, without demanding any further consideration therefor, and at the request and at the expense of Assignee, do all lawful and just acts, including the execution and acknowledgment of instruments, that may be or become necessary for obtaining, sustaining, extending, reissuing, or reexamining United States and foreign patents or the like for the Invention, and for maintaining and perfecting Assignee's right to the Invention and any and all intellectual or industrial property rights therein, particularly in cases of interference, conflict, opposition, and litigation.

IN TESTIMONY WHEREOF, I have hereunto set my hand.
