## ASSIGNMENT

Pursuant to the waiver letter dated February 1, 2019, CEDARS-SINAI MEDICAL CENTER (hereinafter referred to as "Assignor"), having its principal place of business at:

8700 Beverly Blvd.  
Los Angeles, California 90048

and for other valuable and sufficient consideration as detailed in the waiver letter, receipt whereof is hereby acknowledged by assignor, Cedars-Sinai Medical Center confirms its obligation to and effective as of February 1, 2019, hereby sells, assigns and conveys, unto Dr. Axel Rosengart, The Excelsior Two, 170 Prospect Ave., Apt. 18E, Hackensack, NJ 07601 (hereinafter "Assignee"), his successors and assigns, Assignor's entire right, title and interest

(1) in and to an invention entitled: "Detection and Quantification of Brain Motion and Pulsatility" for which International Patent Application No. PCT/US2017/045771 was filed August 7, 2017 (Atty. File No. 6566-00001), which application claims the benefit of priority of United States Provisional Patent Application No. 62/372,729 filed August 9, 2016 (hereinafter the "International Patent Application and the United States Provisional Patent Application");

(2) in and to said International Patent Application and the United States Provisional Patent Application, in and to all other patent applications derived from or relating to said International Patent Application and the United States Provisional Patent Application (including divisional, continuation, continuation-in-part, §111(b) provisional, §111(a), and reissue applications) based upon said invention, and in and to the patent or patents to be granted thereon, including reissues or reexaminations thereof, if any, to the full end of the term or terms for which said patent or patents may be granted;

(3) in and to all patent applications on said invention now or hereafter filed in countries foreign to the United States of America, and in and to any and all patents granted on said applications to the full end of the terms for which said patents may be granted; and

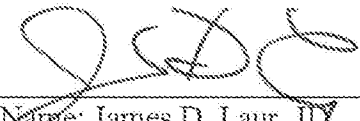

(4) in and to all applications filed under International Conventions on the invention or claiming priority to the International Patent Application and the United States Provisional Patent Application.

Assignor agrees that any patent applications with a claim to priority based on said International Patent Application and the United States Provisional Patent Application may be filed in the name of Assignee.

Assignor hereby agrees that, upon demand of Assignee, its successors or assigns, and without further consideration to Assignor, it will execute any and all papers that may be necessary, or deemed to be necessary, by Assignee, its successors or assigns, to a complete fulfillment of the intent and purposes of this Assignment, it being understood that any expense incident to the execution of such papers shall be paid by Assignee, its successors and assigns, and not by Assignor.

The Commissioner of Patents and Trademarks of the United States is hereby authorized and requested to issue said United States patent or patents to Assignee.
