ASSIGNMENT, OATH, AND DECLARATION

For valuable consideration, I, Jan-Peter Jastrzembki of Dreikronenstr. 13, 97082 Würzburg Germany hereby declares that the below-identified patent application was made or authorized to be made by me and that I believe that I am the original inventor of a claimed invention in the patent application and hereby assign to WITTENSTEIN SE, a corporation of Germany, having a place of business at Walter-Wittenstein-Str. 1, 97999 Igersheim Germany, and its successors and assigns (collectively hereinafter called "the Assignee"), the entire right, title, and interest throughout the world in the inventions and improvements that are subject of an application for United States Patent, titled "**PROTECTOR FOR A ROTOR OF AN ELECTRICAL MACHINE,**" filed October 18, 2019 and assigned U.S. Patent Application No. 16/657,066....., [WE authorize Meunier Carlin & Curfman LLC the rights to make the necessary changes to the assignments before filing which will include the Application Number and Filing Date], which claims priority to German Patent Application No. **102018125936.0** filed **October 18, 2018**; this assignment including said application, any and all divisional, continuing, substitute, renewal, reissue, and all other applications for patent that have been or shall be filed in the United States and all foreign countries on any such inventions or improvements; all original and reissued patents that have been or shall be issued in the United States and all foreign countries on such inventions or improvements; and all United States and foreign patents, utility models, and design registrations granted for any of said inventions or improvements, and the right to claim priority based on the filing date of said application under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes; and I authorize the Assignee to apply in all countries in my name or in its own name for patents, utility models, design registrations, and like rights of exclusion and for inventor's certificates for said inventions and improvements; and I agree for myself and my respective heirs, legal representatives, and assigns, without further compensation to perform such lawful acts and to sign such further applications, assignments, Preliminary Statements and other lawful documents as the Assignee may reasonably request to effectuate fully this assignment.

I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. § 1001 by fine or imprisonment of not more than five (5) years, or both.
