ASSIGNMENT

WHEREAS, to HY-C Company LLC, a limited liability company of the State of Missouri, having a place of business at 10950 Linpage Place, St. Louis, Missouri 63132 (hereinafter referred to as "COMPANY") owns an invention recited in U.S. Patent 8,157,560, entitled, "Heater" issued on April 17, 2012;

AND, WHEREAS, Fire Chief Industries LLC, a limited liability company of the State of Missouri, having a place of business at 7280 Old Missouri 21, Barnhart, Missouri 63012 (hereinafter referred to as "ASSIGNEE") is desirous of acquiring certain rights thereunder;

NOW, THEREFORE, for one dollar and other good and valuable consideration, receipt of all of which is hereby acknowledged, COMPANY has agreed to and does hereby sell, assign, and transfer unto ASSIGNEE the entire right, title, and interest, including the right to claim priority, in and throughout the United States of America (including its territories and dependencies) and all countries foreign thereto in and to said invention, said United States patent, any other United States applications (including provisional, non-provisional, divisional, continuing, or reissue applications) based in whole or in part on said United States Patent or in whole or in part on said invention, any foreign applications based in whole or in part on any of the aforesaid United States Patent or in whole or in part on said invention, and any and all patents (including extensions thereof) of any country that have been or may be granted on any of the aforesaid applications or on said invention or any part thereof;

TO BE HELD AND ENJOYED by ASSIGNEE, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by COMPANY had no sale and assignment of said interest been made;

AND COMPANY hereby authorizes and requests the Director of the United States Patent and Trademark Office of the United States of America to issue any and all United States patents that may be granted upon said United States applications or, or upon said invention or any part thereof, to ASSIGNEE;

AND COMPANY hereby agrees for itself and for its successors and assigns to execute without further consideration any further lawful documents and any further

assurances, and any provisional, non-provisional, divisional, continuing, reissue, or other applications for patents of any country, that may be deemed necessary by ASSIGNEE fully to secure to ASSIGNEE its interest as aforesaid in and to said invention or any part thereof, and in and to said patent and applications.

IN WITNESS WHEREOF, I have hereunto set my hand.
