DESIGNER CONFIRMATORY ASSIGNMENT

I,
Adam Jefferson Haynes,
Mitul Lad,
Alexander Man Hei Patrick Hung,
David George Robinson

of
2 Pye Terrace, Chesterton, Cambridge CB4 1DX,
80 Navigation Drive, Glen Parva, Leicester LE2 9TB,
2 Burnell Close, Bidford on Avon, Warwickshire B50 4AY,
12 Burgess Road, Waterbeach, Cambridgeshire CB25 9ND

agree that:

the design rights as embodied in the Inhaler ("the Designs") and as described in GB Design Application Numbers 6053738, 6053739, 6053740, 6053741 filed on 4th February 2019 ("the Applications") which I have seen and approved (see CC document ref P3299-BP10-001) should vest in Cambridge Consultants Limited of Science Park, Milton Road, Cambridge CB4 0DW (hereinafter called "the Employer").

At the time of creating the Designs I was employed by the Employer and the Designs or part or parts thereof were developed by me in the execution of my duties in the course of my employment or following instructions given to me by the Employer and therefore, by virtue of the above or by the terms of my contract of employment with the Employer, the Designs belong to the Employer for all purposes.

For the avoidance of doubt and for good and valuable consideration, paid by the Employer to me, the receipt of which I hereby acknowledge, I hereby confirm that all my rights in the Designs are and have at all times been vested in the Employer; and, insofar as they have not so vested automatically by operation of law or under my employment with the Employer, I hereby assign all such rights in the Designs to the Employer, with effect from 4th February 2019, including any right I may have to apply for and be granted a registered design or national equivalent for the said Designs in any other country absolutely.

I agree that I will, at the expense of the Employer (if I am no longer employed by it at the time of the request), execute all such documents and do all such acts and things as may be requested by the Employer for the purposes of applying for and obtaining protection in respect of the said Designs in any country in the world, in the name of the Employer or in such name as the Employer may direct, and of vesting the said protection when obtained in the Employer absolutely. I agree that any such request by the Employer that involves the execution of any document purporting to transfer or assign any rights in the Designs for the purpose of obtaining protection in any country outside the United Kingdom will not constitute an acknowledgement by the Employer that any right in the Designs belongs to me.

By signing this document I irrevocably appoint the Employer to be my Attorney in my name and on my behalf so that the Employer can execute any document, take any action and generally use my name for the purpose of giving the Employer (or its nominee) the full benefit of the provisions of this Assignment. A certificate in writing signed by any director or secretary of the Employer that any document or act falls within the authority given by this clause shall be conclusive evidence in favour of any third party that such is the case.

This document shall be governed by and construed in accordance with English Law.
