ASSIGNMENT

THIS ASSIGNMENT is made the 31st July 2019

PARTIES

- (1) **CAMBRIDGE CONSULTANTS LIMITED**, of Science Park, Milton Road, Cambridge, England (“the Assignor”),
- (2) **ORION CORPORATION** of Orionintie 1, Espoo, FI-02200, Finland (“the Assignee”).

RECITALS

- A The Assignor is or was the employer of the Designers (hereafter defined).
- B The Designers are Adam Jefferson Haynes, Mitul Lad, Alex Man Hei Patrick Hung and David George Robinson.
- C The Designers in the course of their employment jointly created the “Designs”, being the inhaler designs embodied in] the Inhaler and as described in GB Design Application Numbers 6053738, 6053739, 6053740, 6053741 filed on 4th February 2019 (“the Applications”).

P3299-BP10-005 v1.0

- D The Designs are to be taken as belonging to and/or vesting in the Assignor in the first instance either by virtue of the Designers' employment contract with the Assignor or by statute.
- E The Designs were created during the carrying out of a contract under a Services Agreement reference DNO 090017ff81efb623 dated 12 December 2017 ("the Contract") by the Assignor for the Assignee under which arising intellectual property would become the property of the Assignee.
- F Nothing in this Assignment Agreement is intended to alter the terms of the Contract and in the event of any inconsistency between the terms of the Contract and this Assignment Agreement, the terms of the Contract will prevail.
- G The Designers have, for the avoidance of any doubt, assigned all their rights including all unregistered design rights in the Design to the Assignor.
- H The Assignor and the Assignee have agreed that the ownership of the Applications including the Designs should be transferred by the Assignor to the Assignee and that the Assignee confirms the grant to the Assignor the licence in Clause 2 of this Assignment.

IN CONSIDERATION OF THE SUM OF ONE POUND (£1.00), paid by the Assignee to the Assignor, the receipt of which is acknowledged, and in consideration of the confirmation of the grant of the licence by the Assignee to the Assignor in Clause 2 of this Assignment, **THE ASSIGNOR HEREBY ASSIGNS** to the Assignee with full title guarantee:

1.0 the rights, title and interest in the Applications and all the powers, privilege and immunities arising or accrued from it so that the grant of design rights pursuant to the

P3299-BP10-005 v1.0

Applications and any applications for design rights derived from it, in any country of the world, shall be in the name of and shall vest in the Assignee;

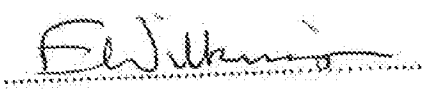

- 1.1 the Designs described in the Applications;
 - 1.2 the right to claim priority from the Applications;
 - 1.3 all unregistered design rights subsisting in the Designs.
2. The Assignee hereby confirms the grant to the Assignor of the royalty free, permanent, non-exclusive and world wide licence to exploit the intellectual property under the terms set out in the Contract.
 3. Each party agrees with the other that it will sign, execute and do at the request and expense of the other, if and when reasonably required to do so by the other, all documents acts and things as may be necessary or desirable to enable the other to enjoy the full benefits of the rights assigned herein.
 4. The Assignee shall be responsible for any and all necessary recording of assignment with the relevant authorities.
 5. Should Assignee assign the Applications to any third party then the obligations in this Agreement and confirmation of Assignor's licence shall be included in any such assignment and Assignor shall be informed in a timely manner of such assignment.
 6. This document shall be governed by and construed in accordance with English Law.

The parties hereto have caused this Assignment to be executed the day and year first above written.
