PATENT ASSIGNMENT AGREEMENT

This assignment agreement ("Assignment") is effective as of August 29, 2019, ("Effective Date") and entered into by and between SPONTEX 420 Rue d'Estienne d'Orves Colombes 92705 France ("Assignor") and RUBBERMAID COMMERCIAL PRODUCTS LLC 8935 North Pointe Executive Drive, Huntersville, North Carolina 28078 USA ("Assignee").

For good and valuable consideration, the receipt and sufficiency of which are agreed, Assignor hereby irrevocably sells, assigns and transfers to Assignee and its successors, assigns and legal representatives, Assignor's entire right, title and interest, both legal and equitable, in the United States patent applications listed in Schedule A, all related patent applications in the United States including those claiming priority thereto in the United States, the right of priority, including without limitation to claim priority benefit of or to said patent applications, all United States continuations, United States divisionals and United States continuations-in-part of any of the foregoing, United States patents issuing from any of the foregoing, and United States reissues, United States reexaminations thereof (collectively the "Patent Rights") for Assignee's own use and enjoyment, and for the use and enjoyment of its successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment and sale had not been made; together with all income, royalties, damages or payments due or payable as of the Effective Date or thereafter, including, without limitation, all claims for damages by reason of past, present or future infringement or other unauthorized use of the Patent Rights, with the right to sue for, and collect the same for its own use and enjoyment, and for the use and enjoyment of its successors, assigns, or other legal representatives.

Upon the request of Assignee, the undersigned agrees to execute any and all documents and take actions reasonably requested to effectuate this Assignment and Assignee's rights in the Patent Rights, including any oath or affidavit relating thereto, to cooperate to the best of the ability of the undersigned with Assignee in preparing and executing statements and giving and producing evidence in support of the Patent Rights, and to perform any and all acts reasonably requested by Assignee to obtain, enforce and defend the Patent Rights and vest all rights therein to Assignee as fully and entirely as the same would have been held and enjoyed by the undersigned if this Assignment had not been executed.

The parties execute and deliver this Assignment by their respective signatories below.
