WHEREAS, Omninet Investments, LLC of 9420 Wilshire Blvd., Beverly Hills, California, 90212, a California limited liability company, hereinafter referred to as "ASSIGNEE," wants to acquire an interest in the inventions and applications and in any Letters Patent and Registrations that have been granted or may be granted on the same;

For good and valuable consideration, receipt of which is hereby acknowledged by Assignor, Assignor has assigned, effective January 1, 2004, and by these presents does assign, to Assignee all right, title and interest in and to the inventions and applications, and in and to any Letters Patent and Registrations which have been granted or may hereafter be granted on the same in the United States, including all rights to enforce accumulated rights against past infringement. The right, title and interest is to be held and enjoyed by Assignee and Assignee's successors and assigns as fully and exclusively as it would have been held and enjoyed by Assignor had this assignment not been made, for the full term of any Letters Patent and Registrations which have been granted or may be granted thereon, or of any division, renewal, continuation in whole or in part, substitution, conversion, reissue, prolongation or extension thereof.

Assignor further agrees that Assignor will, without charge to Assignee, but at Assignee's expense, (a) cooperate with Assignee in the prosecution of applications on the invention and any improvements, (b) execute, verify, acknowledge and deliver all such further papers, including patent applications and instruments of transfer and (c) perform such other acts as Assignee lawfully may request to obtain or maintain Letters Patent and Registrations for the invention, and to vest title thereto in Assignee, or Assignee's successors and assigns.

October IN TESTIMONY WHEREOF, this Assignment is executed this 4th day of October, 2004.
