ASSIGNOR also has been determined to own the following U.S. Trademark:

1. US Trademark 3,762,297 for the mark "AMOSILQ" registered on March 23, 2010 ("Trademark").

WHEREAS, Coating Systems Laboratories, Inc. (hereinafter referred to as ASSIGNEE), a corporation of the State of Arizona having a place of business at Chandler, Arizona, USA is desirous of acquiring the entire right, title and interest in and to the inventions and in and to any letters patent that may be granted therefore in the United States and in any and all foreign countries as well as all right, title, interest, and good will in the Trademark.

NOW, THEREFORE, in exchange for good and valuable consideration, as referenced and contained in The Settlement and Release Agreement between the ASSIGNOR and ASSIGNEE dated January 27, 2019, ASSIGNOR hereby assigns, releases and transfers unto ASSIGNEE, all rights, if any in and to the inventions, patent, any and all rights of priority of application, and any and all letters patent which may be granted for invention in the United States of America and its territorial possessions and in any and all foreign countries, and in any and all divisions, reissues and continuations thereof, including the right to file foreign applications directly in the name of ASSIGNEE and to claim priority rights deriving from said United States application to which said foreign applications are entitled by virtue of international convention, treaty or otherwise, said invention, application and all letters patent on said invention to be held and enjoyed by ASSIGNEE and its successors and assigns for their use and benefit and of their successors and assigns as fully and entirely as the same would have been held and enjoyed by ASSIGNOR had this assignment, transfer and release not been made.

ASSIGNOR further conveys, assigns, and transfers to ASSIGNEE the entire and exclusive right, title, interest, and good will in the Trademark, to be held and enjoyed by ASSIGNEE for its own use and enjoyment, and for the use and enjoyment of its successors and assigns, to the end of the term or terms for which the Trademark may continue to exist.

ASSIGNOR conveys its rights in the inventions and Trademark to ASSIGNEE pursuant to the terms of The Settlement and Release Agreement between the ASSIGNOR and ASSIGNEE dated January 27, 2019, ASSIGNOR and represents that that no assignment, grant, mortgage, license, or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey its rights in the inventions and the Trademark to the ASSIGNEE is possessed by the undersigned.

ASSIGNOR hereby authorizes and assigns as fully and entirely as the same would have been held and enjoyed by ASSIGNOR had this assignment, transfer and release not been made.
