ASSIGNMENT

WHEREAS, I, Ranjani Sampath Kumaran, having a city and state of residence of Tempe, Arizona; and having a mailing address of 1415 West 3rd Street, Tempe, Arizona, USA 85281; have invented certain improvements in:

METHOD FOR TREATMENT OF A VASCULAR LESION

described and claimed in an application for Letters Patent of the United States of America thereon, said application having been executed by me and being filed concurrently herewith;

WHEREAS, Bard Peripheral Vascular, Inc., an Arizona corporation that has offices located at 1415 West 3rd Street, Tempe, Arizona, USA 85281, is to acquire the entire right, title and interest in and to said invention, said application(s), and any Letters Patent that may issue thereon;

NOW, THEREFORE, for and in consideration of good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I do hereby assign, sell, transfer and set over unto said Bard Peripheral Vascular, Inc., its successors and assigns, the full, entire and exclusive right, title and interest, for the territory of the United States of America and for all foreign countries, in and to said invention, as described in the application(s) identified above, and in and to said application(s), and any nationalizations thereof and/or any divisions or continuations or continuations-in-part thereof or substitutes therefor which may be filed, and in and to any patents or reissues, renewals or extensions thereof which may be granted on said applications or for said invention, and in and to any application which may be filed on said invention in countries foreign to the United States of America and any patents, utility models and designs granted thereon; said invention, applications, patents, utility models and designs to be held and enjoyed by said Bard Peripheral Vascular, Inc., and its successors or assigns, to the full end of the term or terms for which said patents, utility models and designs may be granted, as fully and entirely as the same would have been held by me had this assignment not been made.

I hereby authorize and request the Patent and Trademark Office officials in the United States of America and the Patent Office officials of any and all foreign countries to issue any and all Letters Patent(s) granted on said applications to said Bard Peripheral Vascular, Inc., its successors or assigns, as the assignee of my entire right, title and interest in and to the same, for the sole use and enjoyment of said Bard Peripheral Vascular, Inc., its successors and assigns.

Further, I agree to execute all papers and to give such lawful testimony and to perform such other lawful acts in connection therewith as said Bard Peripheral Vascular, Inc., its

successors and assigns may require to enable it or them to perfect such right, title and interest in said Bard Peripheral Vascular, Inc., its successors and assigns.

Executed this 24th day of October, 2019.
