IN THE UNITED STATES
PATENT AND TRADEMARK OFFICE
Assignment and Agreement

For value received, I hereby sell, assign and transfer to **Arevo, Inc.** (hereinafter "the Assignee"), having an office at 2090 Duane Avenue, Santa Clara, California, United States, and its successors, assigns and legal representatives, the entire right, title and interest, for the United States of America, in and to all of the inventions disclosed and claimed in:

- 1) United States Patent Application Serial No. 15/959,213,
entitled **Variable-Contour Compaction Press (Attorney Docket 3019-171us1)**, and
- 2) United States Patent Application Serial No. 15/959,214,
entitled **Variable-Contour Compaction Roller (Attorney Docket 3019-172us1)**, and
- 3) United States Patent Application Serial No. 15/959,215,
entitled **Self-Cleaning Variable-Contour Compaction Roller (Attorney Docket 3019-173us1)**, and

and all the rights and privileges in said applications and under any and all Letters Patent that may be granted in the United States for said inventions. I also concurrently hereby sell, assign and transfer to the Assignee the entire right, title and interest in and to any and all continuations, divisionals, continuations-in-part, and substitutes for aforesaid applications.

I also concurrently hereby sell, assign and transfer to the Assignee the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

If the application serial number of this application is not known at the time of the execution of this Assignment and Agreement, I authorize the duly-appointed attorneys in this application plus Jason Paul DeMont, Reg. No. 35,793, Kenneth Ottesen, Reg. No. 54,353, and Vincent McGeary, Reg. No. 42,862 to insert the application serial number in the above paragraph when known.

I authorize the Assignee to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from us, any and all

benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

I hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document, which may be required in any country in proof of the right of the Assignee to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

I hereby acknowledge that in the event of a conflict of interest between the Assignee and me, the firm of McGeary Cukor LLC is the attorney for the Assignee and is not my attorney.

I request that any and all patents for said inventions be issued to the Assignee in the United States and in all countries foreign to the United States, or to such nominees as the Assignee may designate.

I agree that, when requested, I shall, without charge to the Assignee but at its expense, sign all papers, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.
