ASSIGNMENT

WHEREAS, the undersigned (hereinafter “**Assignor**”), is the owner of record of the entire right, title and interest in and to certain inventions, patent applications and United States patents (hereinafter referred to as the “**Patent Properties**”) identified in **Schedule A** attached hereto, the undersigned hereby authorize and request our counsel to insert the filing date and application numbers of said Patent Properties when known;

WHEREAS, **Pure Global Brands, Inc**, a corporation existing under the laws of the State of Florida, doing business at 4401 Samuell Blvd., Suite 150 Mesquite, Texas 75149, (hereinafter referred to as “**Assignee**”) desires to acquire the entire right, title, and interest in, to and under the above inventions and applications and any patents which may be granted on said inventions or any non-provisional patent applications claiming priority therefrom, in the United States and in any and all foreign countries;

WHEREAS, it is the purpose of this document to memorialize the assignment of the Patent Properties in a form suitable for recording in the United States Patent and Trademark Office.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, **Assignor** has assigned, conveyed, sold, quit-claimed, released, set over and transferred and by these presents does hereby assign, convey, sell, quit-claim, release, set over and transfer absolutely unto **Assignee**, the entire right, title and interest whatsoever **Assignor** now has or may have in and to the Patent Properties, including:

(a) All United States and foreign letters patent which shall issue on the inventions and applications including all divisions, continuations, substitutions, re-examinations, reissues, renewals and extensions thereof, for the United States, its territories and possessions and all foreign countries, including the right to file corresponding applications for letters patent or the legal equivalent thereof on the inventions in any and all foreign countries, as fully and entirely as the same would have been held and enjoyed by **Assignor**, had this assignment and sale not been made;

(b) The right to claim invention priority under any and all treaties and conventions to which the United States of America is signatory including the Paris Convention for the Protection of Industrial Property and the Patent Cooperation Treaty (PCT) of the World Intellectual Property Organization (WIPO) for such corresponding applications, or any division, continuation, substitution or renewal thereof, and as to letters patent, any reissue, re-examination, renewal or extension thereof, the same to be held and enjoyed by the **ASSIGNEE**, its assigns and successors, as fully and entirely as the same would have been held and enjoyed by **ASSIGNOR**, had this assignment not been made; and

(c) The right to sue and recover for past, present and future infringement of each and every one of the Patent Properties identified in **Schedule A** and the right to sue and collect damages for such infringement, the same to be held and enjoyed by the **Assignee**, its assigns and successors, to the full extent and end of the term or terms for which each and every one of the Patent Properties is granted or may be granted, as fully and entirely as the same would have been held and enjoyed by **Assignor**, had this assignment and sale not been made.

Declaration

Each of the undersigned further declares that all statements made herein of his or her own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

IN TESTIMONY WHEREOF, we have hereunto set our respective hand and affixed our respective seal on the date indicated below.
