ASSIGNMENT

DuPont Polymers, Inc. hereby declares that it is the assignee of its entire right, title, and interest in PCT Application Serial No. PCT/US17/64442 filed December 4, 2017 (which is identified as Case Number AD8165 WOPCT and titled "Polyamide Compositions") by virtue of an assignment dated March 28, 2019 between E. I. du Pont de Nemours and Company and DuPont Polymers, Inc. for valuable consideration, the receipt and adequacy of which is hereby acknowledged and in fulfillment of pre-existing obligation of assignment, DuPont Polymers, Inc. hereby:

I. Assigns and transfers unto DuPont Industrial Biosciences USA, LLC, a limited liability company organized and existing under the laws of the State of DELAWARE and having a principal place of business at CHESTNUT RUN PLAZA, 974 CENTRE ROAD, WILMINGTON, DELAWARE: (1) the entire right, title, and interest in and to the aforesaid Application for Letters Patent including any priority rights derived from the aforesaid Application for Letters Patent by virtue of the U.S. patent law or the International Convention for the Protection of Industrial Property for any and all member countries of the aforesaid International Convention or other treaty or understanding; (2) the entire right, title, and interest in and to any and all inventions disclosed in the aforesaid Application for inventions disclosed in the aforesaid Application for Letters Patent; (3) any and all patent applications corresponding to the aforesaid Application for Letters Patent; and (4) the sole right: (i) to file any additional applications; (ii) file such applications under the aforesaid International Convention or other treaty or understanding; (iii) have said patents granted in its name or ours; and (iv) enforce said patents and to sue for and recover profits and damages for any and all infringements thereof whether past or future; and

II. Agrees, whenever requested, to communicate to said assignees, their successors, assigns, and legal representatives, any facts known to us respecting said inventions or the rights described above, to testify in any legal proceeding respecting said inventions or the rights described above, the location of that testimony to be in the country in which we reside or in the nearest country in which such testimony is legal should our country of residence prohibit such testimony, to execute all applications, papers or instruments necessary or required by said assignees, their successors, assigns and legal representatives, to carry into

effect any of the provisions of this instrument, and generally to do everything possible to aid said assignees, its successors, assigns, and legal representatives to obtain and enforce proper patent protection for said inventions; and
