## ASSIGNMENT

Scott Blaise Tylicki, with a mailing address of 5500 Woodburn Allen Springs Road, Bowling Green, Kentucky 42104 (the "Assignor") has invented, alone or in cooperation with others, certain improvements related to Configurable Security Light, (the "Invention"), which is disclosed in the provisional patent application serial number 62/592,190 filed on November 29, 2017 (the "Application"), and I authorize and request the attorneys appointed in said application to hereafter complete this assignment by inserting above the filing date and serial number of said application when known.

**AND WHEREAS, HeathCo LLC**, a Foreign Limited Liability Company having a place of business at 2445 Nashville Road, Bowling Green, KY 42102, together with any successors, legal representatives or assigns thereof, (the "Assignee"), desires to acquire the entire right, title, and interest in and to the Intellectual Property (defined below), and any United States and foreign patents to be obtained therefor;

**NOW THEREFORE**, the Assignor hereby assigns, conveys, and transfers unto Assignee, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the entire right, title, and interest in and to:

said Invention;

said Application, including any and all designs, divisions, continuations, continuations-in-part, provisionals or non-provisionals claiming priority to or having any relationship to any of the aforesaid, reissues thereof, and reexaminations thereof;

any and all foreign and PCT applications claiming priority to any of the aforesaid;

any and all Letters Patent of the United States and all countries foreign thereto, which may be granted or have been granted for any of the aforesaid, and any and all reissues and reexaminations thereof;

any and all priority rights, convention rights, and other benefits accruing or to accrue to the Assignor with respect to the filing of applications for patents or the securing of patents in the United States and countries foreign thereto; and

any and all rights to recover damages for past infringement of any and all said Letters Patent (collectively, all of the aforesaid the "Intellectual Property");

**AND THE ASSIGNOR HEREBY AGREES** to sign and execute all necessary and lawful future documents, including additional applications related to the Intellectual Property, and/or any applications for reissue or reexamination of any Letters Patent which may be granted for said Intellectual Property, which the Assignee may from time to time require and prepare at Assignee's expense;

AND THE ASSIGNOR HEREBY AUTHORIZES AND REQUESTS the United States Patent and Trademark Office, and any offices of foreign countries whose duty it is to issue patents, to issue any Letters Patent granted upon said Application and for said Invention to Assignee.
