WORLDWIDE PATENT ASSIGNMENT

WHEREAS, Brian John Cepuran, Daryl McMillan, David Robert Lockhart, each having a mailing address at 151 Charles Street West, Suite 400, Kitchener, Ontario N2H 1H6 and Dariusz Grabka having a mailing address at 95 Vista Cres, Kitchener, Ontario N2M 4C8 (hereinafter "Assignors"), are inventors of one or more inventions which are the subject of one or more patent applications as listed in the attached **Schedule A**;

WHEREAS, **D2L Corporation**, an Ontario company whose post office address is 151 Charles Street West, Suite 400, Kitchener, Ontario N2H 1H6 (hereinafter "Assignee"), has acquired from the Assignors their entire right, title and interest in and to the said invention(s), in all countries of the world, including the rights to the said application(s), any national and regional phase applications based on said application(s), and any Letters Patent, Registered Utility Models, or any registered form of protection that may be obtained from said application(s) (hereinafter collectively identified as "Registered Rights");

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Assignors, by these presents confirm that they have sold, assigned and transferred, and do hereby sell, assign and transfer to said Assignee, their entire right, title and interest in the aforesaid invention(s) as of the effective date of **June 11, 2010**, in all countries of the world, including the rights to the said applications, and all related applications thereon, including any and all national and regional phase entry applications and other counterpart applications in all countries, and any and all substitutes, divisionals, continuations, and continuations-in-part, as well as any Registered Rights, resulting from these applications, and in any and all reissues, extensions, renewals, reexaminations of such applications or Registered Rights, to the full end of the term or terms for which such Registered Rights issue.

The Assignors hereby confirm that the application(s) were made or were authorized to be made by themselves and that they believe themselves to be the original inventors or joint inventors of a claimed invention in the application(s). The Assignors hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than (5) years, or both.

The Assignors shall without further consideration do all such things and execute all such documents as may be necessary or desirable to obtain and maintain Registered Rights for said invention(s) and for additions and modifications thereto in any and all countries, and to vest title thereto in said Assignee, its successors, assigns and legal representatives or nominees.

The Assignor(s) hereby grant(s) the firm of Bereskin & Parr LLP (Box 401, 40 King Street West, Toronto, Ontario, Canada M5H 3Y2) the power to insert on this assignment any further identification and any translation which may be necessary or desirable in order to comply with the rules for recordation of this document in any country.
