## ASSIGNMENT

WHEREAS, **William Watson LAVIGNO, IV** of 4622 Walden Trace, Peachtree Corners, GA 30092, and **Kristopher Jon SODERSTROM** of 2511 Marthagem Court, Lawrenceville, GA 30043, both citizens of the United States, hereinafter "Assignors", have invented new and useful improvements in an "**AXLE AND BEARING FOR CONVEYOR CHAIN LINK**" for which U.S. Non-Provisional Patent Application Serial No. 15/977,859 was filed May 11, 2018 and International PCT Patent Application Serial No. PCT/US18/37043 was filed on June 12, 2018, which is a continuation-in-part of U.S. Non-Provisional Patent Application Serial No. 15/660,123 filed July 26, 2017 and International PCT Patent Application Serial No. PCT/US17/43901 filed July 26, 2017, both of which claim priority to U.S. Provisional Patent Application Serial No. 62/439,512 filed December 28, 2016, U.S. Provisional Patent Application Serial No. 62/366,792 filed July 26, 2016 and U.S. Provisional Patent Application Serial No. 62/516,170 filed June 7, 2017 and;

WHEREAS, **AMF AUTOMATION TECHNOLOGIES, LLC** whose post-office address is 5359 Royal Woods Parkway, Tucker, Georgia 30084, hereinafter "Assignee", is desirous of acquiring the entire interest in the same;

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00), the receipt and sufficiency of which is hereby acknowledged, and for other good and valuable consideration, Assignors hereby do sell, assign and transfer unto Assignee the

entire right, title and interest in and to said inventions and applications in the United States and throughout the world, including without limitation, any letters patent which may issue thereon or therefor, and any subsequent patent(s) or application(s) claiming priority to the above-identified applications, including any non-provisional U.S. patent application(s) claiming priority under 35 U.S.C. § 119(e), any foreign or international counterpart application(s) for patent or utility model, any reissue, reexamination, division, continuation-in-part, extension or continuation application(s), all rights of priority under any international treaty or convention arising from said applications, and the right to sue and collect damages for any past, present, or future infringement; the same for Assignee's legal representatives and assigns, as fully and entirely as the same would have been held by Assignors had this assignment and sale not been made;

**AND**, we hereby bind ourselves, our heirs, legal representatives, administrators and assigns properly to execute without further consideration any and all applications, petitions, oaths, declaration and assignments or other papers and instruments which may be necessary in order to carry into full force and effect the sale, assignment, transfer and conveyance hereby made or intended to be made and generally do everything possible to aid Assignee, its legal representatives and assigns to obtain and enforce proper protection for said invention in all countries throughout the world.

Assignors acknowledge that the attorneys and agents of the law firm of Gardner Groff Greenwald & Villanueva, PC do not personally represent Assignors or Assignor's legal interests, but instead represent the interests of Assignee, and cannot provide legal advice to Assignors with respect to this Assignment. Assignors further acknowledge his/her right to obtain independent legal counsel.

IN WITNESS WHEREOF, I have executed this assignment this 11 day of October, 2019.

My Commission Expires: Aug. 11, 2023

**CONFIDENTIALITY AND INVENTIONS ASSIGNMENT AGREEMENT**

**THIS AGREEMENT** is made effective as of 07/08/2016, by and between the undersigned employee ("I" or "me") and **AMF AUTOMATION TECHNOLOGIES, LLC**, a Virginia limited liability company ("Employer").

[REDACTED]

**AGREEMENT:**

**NOW, THEREFORE**, for and in consideration of the mutual covenants and agreements contained herein, my continued employment by Employer, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Employer and I agree as follows:

[REDACTED]

[REDACTED]

3. **Inventions and Discoveries.**

A. Any invention, discovery, machine, manufacture, method, design, process, technique, apparatus, composition of matter, computer program, design, formula, equation or configuration of any kind, or any improvements thereto, or any other intellectual property right, whether or not patentable or copyrightable, that (i) I, either alone or with others, make, discover, devise, conceive, reduce to practice or otherwise possess during my employment by Employer or for a period of six (6) months following such employment and (ii) directly or indirectly relates to or arises out of my employment by Employer or relates to or is within the past, present or contemplated future scope of a business or line of business of Employer (individually an "Invention" and collectively the "Inventions"), shall be a work for hire and the sole property of Employer. I hereby assign to Employer all rights, title and interest I obtain in any and all Inventions.

B. I shall promptly disclose any Invention to Employer. I shall fully cooperate with Employer and its representatives in preparing, and shall execute, acknowledge and deliver as directed by Employer, all proper instruments (including, but not limited to, specific assignments of title and applications for copyrights, trade names, trademarks and patents) and perform such other acts as Employer may deem necessary or desirable to evidence or effect the provisions of this Section 3. In the event that Employer is unable, after reasonable effort, to secure my signature on any instrument relating to an Invention, whether because of my physical or mental incapacity or for any other reason whatsoever, I hereby irrevocably designate and appoint Employer and its duly authorized officers and representatives as my agent and attorney-in-fact (which appointment is coupled with an interest and shall survive my disability), to act for and on my behalf to execute and file any such assignment and application and to do all other lawfully permitted acts as Employer may deem necessary or desirable to evidence or effect the provisions of this Section 3.

[REDACTED]

[REDACTED]

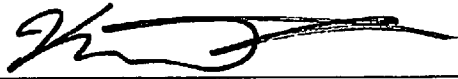

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the date first written above.
