# ASSIGNMENT OF APPLICATION

Application Number: 62/679,380

Filing date: 01-JUN-2018

First Named Inventor: Hornback

Title: Wastewater Treatment System Outlet Filter Cleaner

Whereas, I, Michael Hornback of Morgantown, KY, hereafter referred to as Assignor, have invented certain new and useful improvements in a Wastewater Treatment System Outlet Filter Cleaner for which an application for a United States Patent was filed on 01 June 2018, Application Number 62/679,380.

Whereas, Watereore LLC of Shepherdsville, KY herein referred to "Assignee" whose post office address is 146 Clifton Hall Court, Shepherdsville, Bullitt County, Kentucky, 40165 is desirous of acquiring the entire right, title and interest in the same.

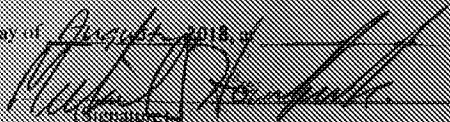

Now, therefore, in consideration of the sum of one dollar (\$1.00), the receipt whereof is hereby acknowledged, and for other good and valuable consideration, I, the Assignor, by these presents do sell, assign and transfer unto said Assignee the full and exclusive right to the said invention in the United States and its territorial possessions and in all foreign countries (including the right to claim priority under the terms of the International Convention and other relevant International Treaties and Arrangements from the aforesaid application(s)) and the entire right, title and interest in and to any and all Letters Patent which may be granted therefor in the United States and its territorial possessions and in any and all foreign countries and in and to any and all divisions, renewals, continuations, substitutions and renewals thereof.

I hereby authorize and request the Patent Office Officials in the United States and its territorial possessions and any and all foreign countries to issue any and all of said Letters Patent, when granted, to said Assignee as the assignee of my entire right, title and interest in and to the same, for the sole use and benefit of said Assignee, their successors and assigns, to the full end of the term for which said Letters Patent may be granted, as fully and entirely as the same would have been held by me had this Assignment and sale not been made.

Further, I agree that I will communicate to said Assignee or their representatives any facts known to me respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuation, substitute, renewal and reissue applications, execute all necessary assignment papers to cause any and all of said Letters Patent to be issued to said Assignee, make all rightful oaths, and, generally do everything possible to aid said Assignee, their successors and assigns, to obtain and enforce proper protection for said invention in the United States and its territorial possessions and in any and all foreign countries.

I hereby grant the agent or legal representative of the Assignee, the power to insert on this assignment any further identification, including the application number and filing date, which may be necessary or desirable in order to comply with the rules of the designated patent office for recordation of this document.
