ASSIGNMENT

September 26, 2019 at 9:00 A.M.

For good and valuable consideration, the receipt of which is hereby acknowledged, Revision Military Inc., a Canadian Corporation having a place of business at 200-3800 Saint-Patrick Street, Montreal, Quebec H4E 1A4, CANADA, for itself, its assigns and legal representatives (“**Assignor**”) hereby:

1. Sells, assigns and transfers to **Revision Military Eyewear (Canada) Inc.**, a Canadian corporation having a place of business at **200-3800 Saint-Patrick Street, Montreal, Quebec H4E 1A4, CANADA**, its successors, assigns and legal representatives, all hereinafter referred to as the Assignee, its entire right, title and interest for the United States and all foreign countries, in and to any and all inventions and designs which are disclosed in the patents and patent applications on the attached schedule for United States Letters Patent filed in the United States Patent and Trademark Office and in and to the application and all corresponding provisional, non-provisional, divisional, continuing, substitute, renewal, reissue and all other applications for Letters Patent, utility models, industrial designs or similar intellectual property rights which have been or shall be filed in the United States, internationally, and in any foreign country, including but not limited to China, Japan and Korea, on any of the inventions and designs; and in and to all original and reissued patents which have been or shall be issued in the United States or any other jurisdiction on the inventions and designs, including the right to apply for patent rights in each foreign country and all rights to priority, including the right to claim priority for China, Japan and Korea; as well as the right to sue in its own name and recover damages for past infringement of any United States Letters Patent and foreign patent, including a reasonable royalty relating to provisional rights under 35 U.S.C. § 154(d) that have attached to any published United States patent application, on the inventions and designs;

2. Agrees that the Assignee may apply for and receive Letters Patent and utility model and industrial design registrations for the inventions and designs in its own name; and when requested, without charge to but at the expense of the Assignee, agrees to carry out in good faith the intent and purpose of this Assignment, by executing all non-provisional, divisional, continuing, substitute, renewal, reissue, and all other patent, utility model and industrial design applications on any and all the inventions and designs, by executing all rightful oaths, assignments, powers of attorney and other papers, by communicating to the Assignee all facts known to it relating to the inventions and designs and the history thereof, and generally by doing everything reasonably possible which the Assignee shall consider desirable for aiding in securing and maintaining proper protection for the inventions and designs and for vesting title to the inventions and designs and all applications for patents and all patents on the inventions and designs, in the Assignee;

3. Requests the Director of the United States Patent and Trademark Office and non-US patent authorities to issue the Letters Patent or other intellectual property rights, including non-US patents, to the Assignee;

MTL01: 5177828: v3

4. Authorizes and requests Wolf, Greenfield & Sacks, P.C. to supply any missing application identification information or correct any errors in the patent/application identification information provided above, whether discovered prior to or after recordation;

5. Covenants with the Assignee that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by it and that full right to convey the same as herein expressed is possessed by it; and

6. Appoints Assignee, through its designee, its attorney-in-fact to execute, in its name and on its behalf, any and all documents required to effectuate this Assignment, specifically including, but not limited to, those documents specified above and any necessary corrective assignments.

7. The parties hereby irrevocably and unconditionally attorn to the arbitration clause set out in Section 8.8 of the Transfer Agreement dated as of the date hereof between the Assignor and Revision Military Eyewear (Canada) Inc.

8. All matters relating to the interpretation, construction, validity and enforcement of this Agreement will be governed by and construed in accordance with the domestic laws of the State of Delaware without giving effect to any choice or conflict of law provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of laws of any jurisdiction other than the State of Delaware.

Assignee, for the benefit of itself, its successors, assigns or other legal representatives, accepts all the rights, privileges and obligations associated with the patent and patent applications listed on the attached schedule.

[Signature page follows]

IN WITNESS WHEREOF, Assignor and Assignee, by their duly authorized officers, have executed this assignment as of the date and time first above written.
