ASSIGNMENT

Whereas, I, Chencai Liu of No. 60, Mei Yue Road Waigaoqiao Free Trade Zone, 200131 Shanghai, Peoples Republic of China, have invented certain new and useful improvements in BALANCING DEVICE FOR ROTARY APPARATUS for which application serial no. 16/262,961 for United States Letters Patent was filed on January 31, 2019 (hereinafter referred to as the APPLICATION); and,

Whereas, Carl Zeiss Shanghai Co. Ltd., a corporation organized and existing under the laws of the Peoples Republic of China, having its principal office at No. 60, Mei Yue Road Waigaoqiao Free Trade Zone, 200131 Shanghai, Peoples Republic of China (hereinafter referred to as ASSIGNEE), is entitled to the entire right, title, and interest in and to said invention, said APPLICATION and all related rights of priority under international conventions, under international patent law treaties, and under the laws and rules of all countries and patent offices, and in and to any Letters Patents that may be granted on a nonprovisional application based on said international application in the United States and its territorial possessions, and in and to any and all patents of other countries and in and to all reissue, divisions, continuations, extensions, substitutions and renewals thereof, and is desirous of perfecting such entire right, title and interest;

Now, therefore, I hereby confirm that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I have transferred unto said ASSIGNEE, its successors, assigns, nominees or other legal representatives, the entire right, title and interest in and to said invention, in and to said APPLICATION, in and to said rights of priority, in and to any and all Letters Patent which may be granted therefrom in the United States and its territorial possessions, in and to any and all patents and other protective rights of other countries, and in and to any and all divisions, reissues, continuations, substitutions, renewals and extensions thereof.

I hereby authorize and request the Patent and Trademark Office officials in the United States and its territorial possessions and officials in any and all other countries to issue any and all of said Letters Patent and patents of other countries, when granted, to said ASSIGNEE as the assignee of my entire right, title and interest in and to the same, for the sole use and behoof of said ASSIGNEE, its successors and assigns, to the full end of the term for which said Letters Patent and other patents may be granted, as fully and entirely as the same would have been held by me had this sale, assignment and transfer not been made.

Further, I agree that I will, to the extent reasonably deemed necessary by said ASSIGNEE, communicate to said ASSIGNEE or its representatives any facts known to me respecting said invention, testify (subject to reasonable compensation in any legal proceeding), sign all lawful papers, execute all divisional, continuation, substitute, renewal and reissue applications, execute all assignment papers to cause any and all of said Letters Patent and other patents to be issued to said ASSIGNEE, make all rightful oaths and generally do everything reasonably possible to aid said ASSIGNEE, its successors and assigns to obtain and enforce protection for said invention in the United States and its territorial possessions and in any and all other countries; and I hereby authorize said ASSIGNEE to record this Assignment in any patent office throughout the world.
