Co-Inventor: Joseph Bendahan, a citizen of the United States of America, residing at 1421 Kintyre Way, San Jose, CA 95129, United States of America

have invented certain new and useful improvements in an "X-Ray Inspection System That Integrates Manifest Data With Imaging/Detection Processing", for which an application for Letters Patent in the United States has been filed on June 15, 2015, and has been assigned Serial No. 14/739,329, which is a continuation of United States Patent Application Number 13/606,442, of the same title, filed on September 7, 2012, and issued as United States Patent Number 9,111,331 on August 18, 2015, which calls priority to United States Provisional Patent Application Number 61/532,093, entitled "X-Ray Inspection System with Integration of Manifest Data with Imaging/Detection Algorithms" and filed on September 7, 2011. PCT Application Number PCT/US12/54110, entitled "X-Ray Inspection System That Integrates Manifest Data With Imaging/Detection Processing", also calls priority to United States Provisional Patent Application Number 61/532,093 (collectively all applications are referred to as "Applications"):

AND WHEREAS, Rapiscan Systems, Inc., (hereinafter "ASSIGNEE"), a corporation, with its principal place of business at 2805 Columbia Street, Torrance, CA 90503, desires to acquire the entire right, title, and interest in and to the said Applications:

NOW, THEREFORE, in consideration of good and valuable consideration, the receipt of which is hereby acknowledged, we, the said inventors, do hereby acknowledge that we have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over, unto the said ASSIGNEE, its successors, legal representatives and assigns, the entire right, title, and interest throughout the world in, to and under the said Applications, and all provisional applications relating thereto, and all divisions, renewals and continuations or continuations-in-part thereof, and all Letters Patent of the United States which may be granted thereon and all reissues, reexaminations, and extensions thereof, and all rights of priority under International Conventions and applications for Letters Patent which may hereafter be filed for said Applications in any country or countries foreign to the United States, and all Letters Patent which may be granted for said Applications in any country or countries foreign to the United States and all extensions, renewals and reissues thereof; and we hereby authorize and request the Commissioner of Patents of the United States, and any Official of any country or countries foreign to the United States, whose duty it is to issue patents on applications as aforesaid, to issue all Letters Patent for said Applications to the said ASSIGNEE, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

AND WE HEREBY covenant and agree that we will communicate to the said ASSIGNEE, its successors, legal representatives and assigns, any facts known to us respecting said Applications, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuation, continuation-in-part, reexamination, and reissue applications, make all rightful oaths and declarations and generally do everything possible to aid the said ASSIGNEE, its successors, legal representatives and assigns, to obtain and enforce proper patent protection for said Applications in all countries.
