## PATENT ASSIGNMENT

WHEREAS, **J & L Custom Fence, Inc.**, a corporation organized under the laws of the State of Iowa, having its principal office at 3321 190<sup>th</sup> Street, Prole, Iowa 50229, (hereinafter "Assignor") is the owner of the entire right, title, and interest in and to certain inventions in the intellectual property described in Exhibit A.

WHEREAS, Assignor certifies it is the sole and exclusive owner of the inventions disclosed in the issued patents and the patent applications described in Exhibit A, hereafter the "Inventions".

WHEREAS, Assignor certifies that it has full authority under state and federal law to make this assignment.

**NOW, THEREFORE**, for good and valuable consideration, receipt of which is acknowledged, Assignor has agreed to assign and transfer and does hereby assign and transfer unto **Ag Manufacturing & Technology, Inc.**, a corporation organized under the laws of the State of Iowa, having its principal offices at 3321 190<sup>th</sup> Street, Prole, Iowa 50229, its successors and assigns ("Assignee"), Assignor's entire right, title and interest in and to: the Inventions, any provisional and non-provisional patent application, divisional, continuation, and continuation-in-part, patent applications for the Inventions; any and all improvements in the Inventions made by us or made jointly with others; any and all Letters Patent and reissues and extensions thereof, of the United States of America and countries foreign thereto (including the right to apply for Letters Patent in foreign countries in its own name and to claim any priority rights for such foreign applications to which such applications are entitled under international conventions, treaties, or otherwise), which have been or may be granted thereon; and any reissue or other or further application based in whole or in part upon the said invention or improvements thereof, to be held and enjoyed as fully and exclusively as they would have been by us had this assignment and transfer not been made;

Assignor does further agree for ourselves and for our heirs, executors and administrators, to execute and deliver without further consideration any further applications, assignments and documents, and to perform such other acts as we lawfully may, that may be deemed necessary by Assignee, its successors, assigns and nominees, to fully secure its interest as aforesaid and to obtain or maintain Letters Patent in any and all countries;

Assignor hereby authorizes and requests the Commissioner of Patents to issue any and all Letters Patent which may be granted upon any of said applications, to said Assignee as the assignee of the entire interest thereon.
