**ASSIGNMENT**

WHEREAS, **Marcus Walder**, of Schwickertzhäuser 2, 51688 Wipperfürth, Germany, **Stefan Ziegler**, of Scheffelstr. 38, 45549 Sprockhövel, Germany, and **Volker Wandelt**, of Norfer Weg 10, 50769 Köln, Germany, hereinafter referred to as the "Assignors," have made the invention described in the United States patent application entitled **"ELECTRICALLY INSULATED ELECTRIC CONDUCTOR STRIP, IN PARTICULAR FOR ELECTRIC MOTORS AND TRANSFORMERS"**, for a full description of which reference is here made to an application for Letters Patent of the United States filed on **October 4, 2019**, assigned Application Serial No. **16/500,917**, which claims the benefit of priority to PCT/EP2018/056831, filed March 19, 2018;

WHEREAS, **ALANOD GmbH & Co. KG**, a corporation having a place of business located **Egerstr. 12, 58256 Ennepetal, Germany**, and **Alcotec Aluminium Coil Technology GmbH**, a corporation having a place of business located at **Pregelstr. 20, 58256 Ennepetal, Germany**, hereinafter called the "Assignees," desire to acquire joint co-ownership of the entire right, title and interest in and to the invention and the patent application identified above, and all patents which may be obtained for said invention, as set forth below;

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00), and other valuable and legally sufficient consideration, the receipt of which by the Assignors from the Assignees is hereby acknowledged, the Assignors have sold, assigned and transferred, and by these present do sell, assign and transfer to the Assignees, joint co-ownership of the entire right, title and interest for the United States in and to the invention and the patent application identified above, and any patents that may issue for said invention in the United States; together with joint co-ownership of the entire right, title and interest in and to said invention and all patent applications and patents issuing therefrom in all countries foreign to the United States, including the full right to claim for any such application all benefits and priority rights under any applicable convention; together with joint co-ownership of the entire right, title and interest in and to all continuations, divisions, renewals and extensions of any of the patent applications and patents defined above; together with the right to recover all damages, including, but not limited to, a reasonable royalty, by reason of past, present, or future infringement or any other violation of patent or patent application rights; to have and to hold for the sole and exclusive use and benefit

of the Assignees, their successors and assigns, to the full end of the term or terms for all such patents. The Assignors hereby sell, assign and transfer joint co-ownership of the entire right, title and interest to the Assignees as of the day of filing the application identified above.

The Assignors hereby covenant and agree, for both the Assignors and the Assignors' legal representatives, that the Assignors will assist the Assignees in the prosecution of the patent application identified above; in the making and prosecution of any other patent applications that the Assignees may elect to make covering the invention identified above; in vesting in the Assignees exclusive title in and to all such other patent applications and patents; and that the Assignors will execute and deliver to the Assignees any and all additional papers which may be requested by the Assignees to carry out the terms of this Assignment.

The Commissioner of Patents and Trademarks is hereby authorized and requested to issue patents to the Assignees in accordance with the terms of this Assignment.

IN TESTIMONY WHEREOF, the Assignors have executed this agreement.
