CONFIRMATION OF ASSIGNMENT
Inventor(s) to ResMed Sensor Technologies Limited

WHEREAS, I, **Conor HENEGHAN**, an inventor or joint inventor (hereinafter "Inventor") have made certain new and useful inventions relating to **METHOD AND SYSTEM FOR SLEEP MANAGEMENT**, (hereinafter "Inventive-Subject matter") which is described in and for which applications have been made as follows:

- A Provisional Application filed on 8 July 2013 in Australia and designated as Application No. 2013902516 entitled **METHOD AND SYSTEM FOR SLEEP MANAGEMENT**.
- A Provisional Application filed on 27 June 2014 in United States of America and designated as Application No. 62/018289 entitled **METHOD AND SYSTEM FOR SLEEP MANAGEMENT**.
- A Patent Application filed on 8 July 2014 in United States of America and designated as Application No. PCT/US2014/045814 entitled **METHODS AND SYSTEMS FOR SLEEP MANAGEMENT**.

WHEREAS, **ResMed Sensor Technologies Limited**, an Irish company, (hereinafter "**Assignee**"), whose postal address is NexusUCD, Blocks 9 & 10, Belfield Office Park, Clonskeagh, Dublin 4, Ireland, is desirous of acquiring the entire right, title and interest in and to said Inventive Subject-Matter, including without limitation said application(s), for every jurisdiction, including without limitation the United States of America and all other countries, and any benefits of or to be obtained therefrom:

NOW THEREFORE, for and in consideration of the sum of Ten Euros (EUR10.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and on the Effective Date herein, Inventor has sold, assigned, and set over and/or to any extent not previously, by these presents does hereby sell, assign and set over unto Assignee and Assignee's legal representatives, successors and assigns, Inventor's entire right, title and interest in and to said Inventive Subject-Matter for every jurisdiction, including without limitation the United States of America and all other countries, said application(s) and any benefits of or to be obtained therefrom, including without limitation any continuation, or divisional application, renewal or substitute thereof, international, foreign and regional applications corresponding or claiming priority thereto pursuant to any law or treaty, including the right to claim such priority or benefit, and the Letters Patent, both foreign and domestic, that may or shall issue thereon, or any reissue or re-examination thereof, and Assignee hereby accepts them, and Inventor does hereby authorize and request the U.S. Commissioner of Patents and any other country's Commissioner of Patents to issue said

PATENT

Letters Patent to the above-mentioned Assignee, consistent with the terms of this Assignment.

UPON SAID CONSIDERATION, Inventor hereby covenants and agrees with Assignee that Inventor has not and will not execute any writing or do any act whatsoever conflicting with these presents, and that Inventor will, at any time upon request, without further or additional consideration, but at the expense of Assignee, execute such additional assignments and other writings and do such additional acts as Assignee may deem necessary or desirable to perfect Assignee's or Assignee's assign's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, continuation, or divisional application, renewal, reissued or extended Letters Patent of the United States, or of any and all other countries, on said Inventive Subject-Matter, and in enforcing any rights or chose in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of, the assigns and legal representatives of all parties.

This Confirmation of Assignment may be executed in any number of counterparts and the executed counterparts together constitute an original.

IN WITNESS WHEREOF, we have hereunto set our hands on the date indicated below.
