Attorney Docket No. ATI-392

ASSIGNMENT OF U.S. PATENT APPLICATION

WHEREAS, We,

David S. Breed, residing at 48 Hillcrest Road, Boonton Township, NJ 07005,

Wendell C. Johnson, residing at 2675 Junipero Avenue, Suite 100, Signal Hill, CA 90806, and

Wilbur E. DuVall, residing at 57 Northwoods Drive, Kimberling City, MO 65686. (hereinafter referred to as the "Assignors") have invented certain new and useful improvements in

SYSTEM AND METHOD FOR IN-VEHICLE COMMUNICATIONS

and for which we are about to file a non-provisional application in the United States Patent and Trademark Office (designated attorney docket no. ATI-392); and

WHEREAS, Automotive Technologies International, Inc., of P.O. Box 8, Denville, New Jersey 07834, ("Assignee"), is desirous of obtaining the entire right, title and interest in, to and under the invention and the application and any foreign applications corresponding thereto or claiming priority thereof;

NOW, THEREFORE, in consideration of the sum of Ten Dollars (\$10.00) to us in hand paid, and/or other good and valuable consideration, the receipt of which is hereby acknowledged, We, the Assignors, have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over unto the Assignee, its successors, legal representatives and assigns, the entire right, title and interest in, to and under the invention and the U.S. nonprovisional application, and all divisionals, reissues, renewals and continuations thereof, and all patents of the United States which may be granted thereon and all reissues and extensions thereof, and all applications for industrial property protection, including, without limitation, all application for patents, utility models and designs which may hereafter be filed for the invention in any country or countries foreign to the United States, together with the right to file such applications and the right to claim for the same the priority rights derived from the United States application under the Patent Laws of the United States, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such application is filed, as may be applicable; and all forms of industrial property

protection, including, without limitation, patents, utility models, inventors' certificates and designs which may be granted for the invention in any country or countries foreign to the United States and all extensions, renewals and reissues thereof; and

WE HEREBY authorize and request the Commissioner of Patents of the United States, and any official of any country or countries foreign to the United States whose duty it is to issue patents or other evidence or forms of industrial property protection on applications as aforesaid, to issue the same to the Assignee, its successors, legal representatives and assigns, in accordance with the terms of this instrument; and

WE HEREBY covenant and agree that we have full right to convey the entire interest herein assigned, and that we have not executed, and will not execute, any agreement in conflict herewith; and

WE HEREBY further covenant and agree that we will communicate to the Assignee, its successors, legal representatives and assigns, any facts known to us respecting the invention, and testify in any legal proceedings, sign all lawful papers, execute all divisional, continuing, reissue and foreign applications, make all rightful oaths, and generally do everything possible to aid the Assignee, its successors, legal representatives and assigns, to obtain and enforce proper protection for the invention in all countries.

IN TESTIMONY WHEREOF, each of us hereunto sets his hand the day and year set forth opposite the respective signature.
